Disclaimer

This publication is an interpretive summary of the Arkansas Game and Fish Commission's hunting regulations and covers only the regulations that most commonly affect hunters. It is not a legal document, and the official regulations of the Commission take precedence over this summary. Copies of the official Arkansas Game and Fish Commission Code of Regulations are available at www.agfc.com, by calling 501-223-6351 or writing to the Communications Division of the Arkansas Game and Fish Commission at 2 Natural Resources Drive, Little Rock, AR 72205. The regulations summarized in this publication are those passed by the Commission as of June 2019. The Commission reserves the right to close seasons, and all regulations, dates and limits summarized in this guidebook are subject to change. If any variation occurs at a Commission meeting after this guidebook is published, it will be widely publicized. Always check www.agfc.com or call our hotline (toll-free: 800-440-1477) for the up-to-date information.

Any and all advertisements in this publication are strictly paid advertisements and are in no way to be construed as an official endorsement by the Arkansas Game and Fish Commission of the products and/or services advertised.

The Arkansas Game and Fish Commission receives Federal financial assistance from the U.S. Fish and Wildlife Service. Under Title VI of the 1964 Civil Rights Act, Section 504 of the Rehabilitation Act of 1973, Title II of the Americans with Disabilities Act of 1990, the Age Discrimination Act of 1975, and Title IX of the Education Amendments of 1972, the U.S. Department of the Interior prohibits discrimination on the basis of race, color, national origin, age, sex, or disability. If you believe that you have been discriminated against in any program, activity, or facility, or if you need more information, please write to: Arkansas Game and Fish Commission. Attn: Compliance Officer, 2 Natural Resources Drive, Little Rock, AR 72205 or The Civil Rights Coordinator for Public Access, U.S. Fish and Wildlife Service, 4401 North Fairfax Drive, Mail Stop: WFSR-4020 Arlington, VA 22203.

Arkansans with Disabilities

The Arkansas Game and Fish Commission is committed to providing equal access to programs and facilities. To suggest how we can better provide more reasonable accommodations for disabled persons at any AGFC-owned property or facility, please write to:

New This Year

- Some licenses are now eligible to automatically renew each license year. Call 800-364-4263 for information.
- Quail Conservation Stamp (Second Edition) \$9.50 available in September.
- Independence and Jackson counties have been added to tier 2 of the CWD zone. See pages 6-7.
- Youth must obtain a FREE customer ID number to check game. See Page 10.
- A new violations points system has been established. See Page 18.
- A hunting license is now required to take any nuisance animal or an animal under a Predator Control Permit or Depredation Permit. See Page 20.
- Residents may now hunt alligators on private land using a permit and the quota system. See Page 37.
- The bear harvest quota in Zone 1 has increased from 340 to 500. See Page 38.
- All deer, elk, alligators and bears must be checked within 12 hours. See pages 39 and 49.
- Deer zones 8 and 8A; zones 1A, 6 and 6A; zones 4 and 4B, and zones 5 and 5B have been combined. See pages 40-48.
- The private land Antlerless-only Modern Gun Deer Hunt has been moved to Dec. 29-31. See pages 42-47.
- Deer bag limits in zones 3, 6, 7, 8, 10, 11 and 13 have increased to five. See pages 42-47.
- There is a new modern gun mobility impaired hunt for deer and bear on Bearcat Hollow WMA. See Page 78.
- There is a new muzzleloader deer hunt at Bell Slough WMA. See Page 79.
- Cedar Mountain Leased Land WMA has been created within the existing Winona WMA. See Page 85.
- There is a new modern gun youth permit deer hunt at Stone Prairie WMA. See Page 116.
- Youth deer hunts are open on the following 19 WMAs: Bell Slough (Nov. only), Benson Creek Natural Area (Nov. only), Cattail Marsh, Cut Off Creek, Dr. Lester Sitzes III Bois D'Arc (Nov. only), Earl Buss Bayou DeView, Ed Gordon Point Remove (Jan. only), Ethel, George H. Dunklin Jr. Bayou Meto (Nov. only), Henry Gray Hurricane Lake (Nov. only), McIlroy Madison County (Jan. only), Rex Hancock Black Swamp (Nov. only), Ring Slough, Robert L. Hankins Mud Creek, Scott Henderson Gulf Mountain, Sheffield Nelson Dagmar (Nov. only), Two Bayou Creek, Village Creek and Whitehall. See pages 78-121.
- Wylie Cox Field Trial Area is no longer an SUA, and is open to all hunting following the WMA's season frameworks. See Page 91.

Meet Your Biologist: Jacob Bokker

Hometown: Hazen **Age:** 39

College: Arkansas State University

AGFC Role: Assistant Regional supervisor in east-central Arkansas overseeing Steve N. Wilson Raft Creek Bottoms WMA and Cypress Bayou WMA.

Other AGFC Work: Mourning dove and wood duck trapping and banding. "Burn boss" for prescribed fire assignments and the nuisance alligator coordinator for east-central Arkansas.

Years With the Agency: 15 years full-time, plus four years part-time while in college where he worked at Dagmar WMA and Mike Freeze Wattensaw WMA.

Personal: Bokker grew up hunting Mike Freeze Wattensaw and Sheffield Nelson Dagmar WMAs and the Cache River bottoms near Biscoe, now the Cache River NWR. He and his wife have two boys and a girl ranging in age from 6 to 11. His sons like to hunt, while his daughter favors fishing. "I carry them and we go turkey hunting, in western Arkansas, in the camper," he said.

About the Deer in His Area: "I was 13 or 14 before I ever saw my first deer in the Cache River Bottoms south of Brassfield. There was just no deer in that area back then. They were very hard to find." Thanks to sound deer management, reforestation and

the acquisition of more public hunting land, Bokker has seen things change from seeing few deer in his own youth, to seeing his oldest son take two deer before his teen years.

Chronic Wasting Disease

What Is CWD?

Chronic wasting disease is a fatal neurological disease that affects members of the deer/elk family (cervids). It was first described in 1967 in Colorado and has spread to 25 additional states, Canada, Finland, South Korea, Norway and Sweden. CWD is similar to scrapie in sheep/goats and “mad cow disease” in cattle. These diseases are caused by misshapen proteins called prions, which accumulate in the tissues of affected animals, especially the brain, spinal cord, and lymph nodes. Infected animals will not show signs of disease for a long time, but late in the disease process, they will be thin and may demonstrate weakness, abnormal behavior, excessive thirst or drooling. Animals generally die soon after the onset of these signs. For additional information visit www.agfc.com/cwd.

Can CWD Spread to Humans or Livestock?

There is no scientific evidence of CWD transmission to humans, pets or livestock under natural conditions. However, feeding domestic animals meat from sick or diseased wildlife is not recommended. The Centers for Disease Control and Prevention recommend having your deer tested for CWD when hunting areas where the disease occurs. For more information from the CDC, visit www.cdc.gov.

Where in Arkansas Has It Been Found?

AGFC has been conducting CWD surveillance in elk since 1998 and in deer statewide since 2002; however the disease was not detected until February 2016. CWD has been detected in, or within a 10-mile radius of, Baxter, Benton, Boone, Carroll, Crawford, Franklin, Independence, Jackson, Johnson, Logan, Madison, Marion, Newton, Pope, Scott, Searcy, Sebastian, Stone, Van Buren, Washington and Yell counties. AGFC continues statewide surveillance and encourages Arkansans to report all sick deer and elk, 1-800-482-9262.

What Can Be Done to Manage CWD?

Research suggests the CWD prion can be passed through contact with feces, urine, saliva, CWD-infected carcasses or contaminated soil. Practices that unnaturally congregate cervids (e.g. baiting and feeding) and improper disposal of carcasses can increase CWD transmission. Steps to reduce the spread and environmental accumulation of CWD prions include: avoiding activities that congregate deer and elk, reducing deer and elk densities, limiting the movement of potentially infected carcasses, and limiting the dispersal of infected animals.

Chronic Wasting Disease Regulations

Statewide Regulations:

- It is unlawful to use scents or lures that contain natural deer and elk urine or other biofluids.
- It is unlawful to rehabilitate deer or elk.

CWD Management Zone Regulations (Page 7)

Baxter, Benton, Boone, Carroll, Crawford, Franklin, Independence, Jackson, Johnson, Logan, Madison, Marion, Newton, Pope, Scott, Searcy, Sebastian, Stone, Van Buren, Washington and Yell counties:

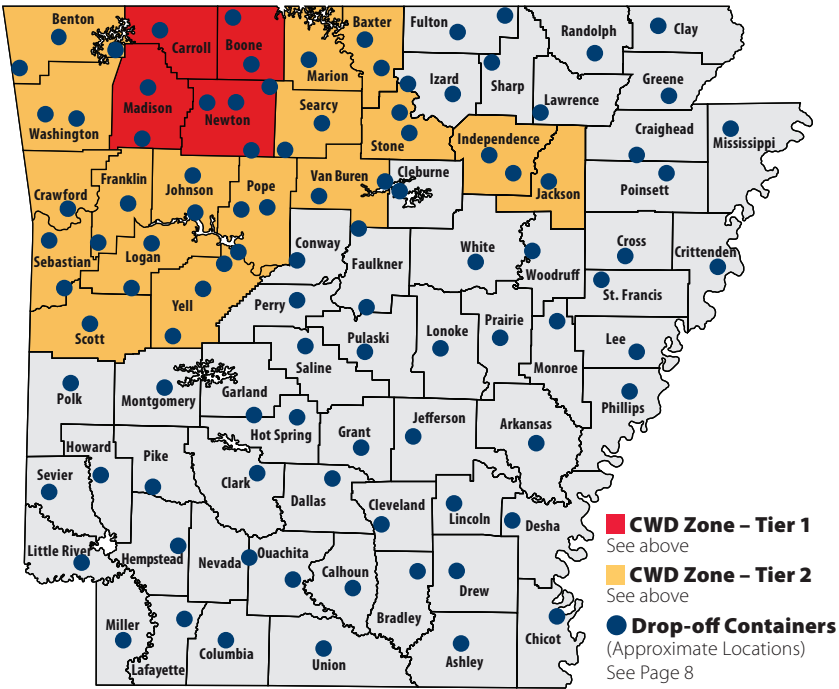

- Burton bucks no longer count toward a hunter’s two-buck (antlered) seasonal bag limit in Deer Zones 1, 2, 3, 6, 7, 8, 10, 11, or 13. They must be checked as burton bucks but will count toward the hunter’s antlerless limit.
- Any buck may be legally harvested; Three-Point Rule has been removed.
- Bag limit has been liberalized. Reference Deer Zone bag limits on pages 42-47.
- Refer to pages 78-126 for WMA- and NWR-specific regulations.

It is unlawful to feed wildlife within the CWD Management Zone, except:

- Bait may be used to hunt deer and elk on private land from Sept. 1-Dec. 31.
- Food plots may be used year-round.
- Baiting bears, see Page 39.
- Hunting or trapping furbearers with the use of bait during open furbearer trapping seasons on private land.
- Incidental feeding of wildlife from livestock operations.
- Normal agricultural, gardening or soil stabilization practices are allowed.
- Attracting or feeding birds and squirrels with birdfeeders, bird baths and grain completely submerged in water.
- Baiting for management, research or nuisance wildlife control with approval by the AGFC Chief of Wildlife Management.

Deer and Elk Carcass Movement:

- It is unlawful to possess in Arkansas any portion of deer, elk, moose or caribou harvested outside the state (see page 25 for carcass importation restrictions) , except the following low-risk materials:
 - Antlers and/or antlers attached to clean skull plates or cleaned skulls (where no meat or tissues are attached to skull)
 - Meat with bones removed
 - Finished taxidermy products
 - Cleaned teeth
 - Hides and tanned products
- It is unlawful to possess any deer or elk harvested within the CWD Management Zone outside the management zone, except the low-risk items listed above.
- It is unlawful to possess any deer or elk harvested within Tier 1 of the CWD Management Zone (red) in Tier 2 (orange), except the low-risk materials listed above; please note:
 - Intact carcasses harvested in a Tier 1 (red) county may be moved freely between the Tier 1 counties, but only low risk materials may be moved into Tier 2 (orange) counties or outside the CWD Management Zone.
 - Intact carcasses harvested in a Tier 2 (orange) county may be moved freely between the Tier 2 counties or into Tier 1 counties, but only low-risk materials may be moved outside the CWD Management Zone.

Landowners within the CWD Management Zone may contact their local private lands biologist to apply for deer tags to harvest additional deer. Visit www.agfc.com/cwd for more information.

Special Elk Regulations:

- Any elk outside the Core Elk Management Zone (Boone, Carroll, Madison, Newton and Searcy counties) may be harvested by a hunter who is legally hunting for deer with a weapon legal for that season. Seasonal bag limit, one elk of either sex.
- All elk harvested statewide must be checked and sampled. Samples from checked elk must be submitted for CWD testing. Hunters must call 1-800-482-9262 for instructions on checking elk and submitting samples.

CWD Testing

AGFC is offering a variety of options to have harvested deer tested for CWD. For complete details and testing results, visit www.agfc.com/cwd.

- **CWD Testing Drop-off Containers:** A network of refrigerated drop-off containers is available during the 2020-21 deer season. Hunters can bring the head (antlers removed) with approximately 6 inches of neck attached from their harvested deer to one of these locations (details available at www.agfc.com/cwd). CWD testing at these locations is free. Instructions will be at the containers.
- **Taxidermists:** Many taxidermists can collect CWD samples statewide free throughout deer season. Please check www.agfc.com/cwd for the complete list and call ahead to verify availability.
- **AGFC Regional Offices:** Many AGFC offices can collect CWD samples for free. Hunters should call ahead to ensure a wildlife biologist is available to collect a sample. See Page 1 for a listing of AGFC offices or visit www.agfc.com/cwd.
- **Veterinarians:** Many veterinarians are offering CWD sampling at a cost. Please visit www.agfc.com/cwd for a list of participating veterinarians or contact your local veterinarian to determine if they are participating.

Please refer to www.agfc.com/cwd for any CWD updates.

SAVE THE BOBWHITE

Show your support of the AGFC's effort to bring back the northern bobwhite to huntable numbers throughout the state by purchasing the Northern Bobwhite Conservation Stamp. Proceeds from this stamp will go directly to habitat enhancement work in Arkansas. Purchase yours when you get your license at www.agfc.com. For more information on bobwhite quail restoration, visit www.agfc.com/quail.

Licensing and Permits

Who needs a license?

If you are 16 or older, an Arkansas hunting license is required to hunt wildlife unless you are on a licensed game-bird shooting resort that supplies pen-raised birds. A valid printed license or acceptable electronic format license must be in your possession when hunting. A WMA General Use Permit is required to hunt on public land.

Youth Customer ID Number

All hunters need an AGFC Customer ID to check big-game animals and participate in permit hunts. For hunters under 16 who do not have a license, they may obtain a free Customer ID through the AGFC's online licensing system or through an authorized AGFC license vendor.

How do I buy a license?

Licenses are available over the counter at AGFC regional offices, nature centers and many sporting goods stores across the state.

- Phone – Call 501-223-6349 or 800-364-GAME (4263) between 8 a.m. and 4:30 p.m. Mon.-Fri.

- Online – Visit www.agfc.com, click “Buy Licenses.”

Telephone and online purchases must be made by credit card. Disability and commercial licenses are not available by phone or online.

Auto-Renew

You are now able to set many of your resident or non-resident hunting and fishing licenses and permits to automatically renew. This process was designed to make renewing your license more convenient and make sure you never have an expired license. Next time you visit AGFC.com to purchase a license or permit be on the lookout for eligible products denoted by an auto-renew icon.

How do I replace a lost license?

Beginning in summer 2017, the AGFC's licensing system now allows purchasers to print their own license at home, or print them at license vendors around the state. Should a licensee lose the original license, he or she simply has to reprint it. License information can also be retrieved via smart phone/mobile device.

Why is a social security number required?

The collection of the Social Security Number is a requirement mandated by the federal government and the State of Arkansas for the purpose of child support collection enforcement. Federal and state laws (42 U.S.C.A. 666, A.C.A. 9-14-239 and A.C.A. 17-1-104) require the AGFC to collect your full social security number when purchasing recreational fishing and hunting licenses. The license system has an exempt feature if a social security number has not been assigned to you by the Social Security Administration.

Do I qualify as a resident?

- Any person whose primary residence is in Arkansas and has been for the past 60 consecutive days
- Full-time students of Arkansas schools, colleges or universities (with proof of enrollment)
- Residents who are full-time students of schools outside of the state
- Active-duty military personnel assigned to duty stations in Arkansas and members of the National Guard who are assigned to an Arkansas Guard Unit
- Active-duty military personnel who were Arkansas residents when entering service regardless of where they are stationed
- Some licenses require additional requirements.

Owning property/real estate in Arkansas DOES NOT qualify a person as a resident.

What are disability licenses?

Resident disabled hunters may purchase a three-year disability hunting license for \$25 or a three-year combination license for \$35.50 (includes fishing privileges). Proof of 60 days' Arkansas residency and proof of 100 percent disability from the Social Security Administration, Department of Veterans Affairs or the Railroad Retirement Board is required. These licenses expire three years from the date of purchase. These licenses are only available through the Little Rock AGFC Office. Other required permits and stamps must be purchased annually. Special military disability licenses available. (See Page 14)

Which licenses do hunting guides need?

A guide is someone who guides hunters for pay or other consideration. An Arkansas resident may guide hunters on land not owned or leased by the AGFC with a Resident Guide License (\$25).

An Arkansas resident who provides proof of at least one year of residency may guide hunters, but not waterfowl hunters, on land owned or leased by the AGFC with the Resident Special Guide License (\$150). There is no nonresident equivalent of this license.

A nonresident may guide hunters on land not owned or leased by the AGFC with the Nonresident Guide License/Hunting (\$150).

Hunting guide licenses expire June 30 and do not include hunting privileges. These licenses are available from AGFC offices listed on Page 1.

Who needs a hunter education card?

A hunter born after 1968 must carry a valid hunter education card, unless 'HE-VERIFIED' is noted on your hunting license. Hunters under

16 do not need to have a card if they are under the direct supervision of an adult hunter who is at least 21 years of age and possesses valid hunter education certification, or who was born before 1969. Arkansas honors the home state hunter education cards of nonresidents. Call 800-482-5795 or check www.agfc.com for a class schedule. To replace a lost card visit ilostmycard.com or call 800-830-2268.

Deferred Hunter Education Code (DHE)

A free Deferred Hunter Education Code (DHE) can take the place of the hunter education requirement for hunters 16 and older. The code is available at any license purchasing agent, by phone or online:

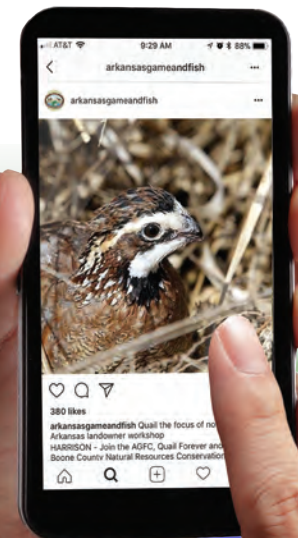

- The hunter must possess a valid Arkansas hunting license while hunting.
- The hunter must be in the direct supervision of a licensed hunter at least 21 years old who is either certified in hunter education or was born on or before Dec. 31, 1968.
- The hunter may not have been convicted or forfeited bond for prior hunter education certification violations or other AGFC-sanctioned hunting privilege revocations.

Which commercial or wildlife-related activities require a license or permit?

Falconers, fur dealers, wildlife breeders and dealers and commercial wildlife hunting resorts must all have special permits. A complete list of permits is available at www.agfc.com/commercial. Call 800-364-4263 ext. 6388 during business hours for more information.

What Kind of License Do I Need?

Combination Sportsman's License (CS) \$35.50	Entitles the holder to hunt all game species during open seasons and to take a total bag limit of deer. Also allows the holder to hunt furbearers and to fish the waters of the state with sport fishing tackle. Resident Trapper's Permit required to trap furbearers. A Resident Trout Permit also must be purchased to retain trout or to fish in certain waters. Valid through June 30. Six deer tags and two turkey tags are included with this license.
Resident Sportsman's License (RS) \$25	Entitles the holder to hunt all game species during open seasons and to take a total bag limit of deer. Also allows the holder to hunt furbearers. Resident Trapper's Permit required to trap furbearers. Valid through June 30. Six deer tags and two turkey tags are included with this license.
Resident Wildlife Conservation License (HNT) \$10.50	Entitles the holder to hunt all small game species and furbearers, and take one deer. Resident Trapper's Permit required to trap furbearers. Valid through June 30. One deer tag is included with this license.
WMA General Use Permit (WMP) Free	Entitles the holder to hunt or trap during open seasons on all WMAs. Valid through June 30. See Page 67 for a list of WMAs. Additional permits may also be required to hunt deer or turkey on these areas.
Resident Trapper's Permit (TP) Free	Entitles a holder of a resident hunting license to trap furbearers during open seasons. Valid through June 30. Not required to hunt furbearers. Available online only at www.agfc.com , click "Buy Licenses."
Nonresident Annual All Game Hunting License (NBG) \$350	Entitles the holder to hunt all game species, including bear, using modern gun, muzzleloader or archery, and to take a total bag limit of deer. Also allows the holder to hunt furbearers. Valid through June 30. Six deer tags and two turkey tags are included with this license. Nonresident Trapper's Permit required to trap furbearers.
Nonresident 5-Day All Game Hunting License (AG5) \$180	Entitles the holder to hunt all game species, excluding bear, for the five-day period specified. Three game tags are included with this license. Nonresident Trapper's Permit required to trap furbearers.
Nonresident 3-Day All Game Hunting License (AG3) \$125	Entitles the holder to hunt all game species, excluding bear, for the three-day period specified. Two game tags are included with this license. Nonresident Trapper's Permit required to trap furbearers.
Nonresident 1-Day All Game Hunting License (AG1) \$55	Entitles the holder to hunt all game species, excluding bear, for a one-day period specified. One game tag is included with this license. Nonresident Trapper's Permit required to trap furbearers.
Nonresident Annual Small Game Hunting License (NRH) \$110	Entitles the holder to hunt all species of small game and furbearers. Valid through June 30. Nonresident Trapper's Permit required to trap furbearers.
Nonresident 5-Day Small Game Hunting License (SG5) \$70	Entitles the holder to hunt all species of small game and furbearers for the five-day period specified. Nonresident Trapper's Permit required to trap furbearers.
Nonresident Trapper's Permit (NFT) \$125	Entitles a holder of a nonresident hunting license to trap furbearers during open seasons. Valid through June 30. Not required to hunt furbearers.
Licenses are nontransferable and nonrefundable.	

Nonexpiring Lifetime Resident Hunting and Fishing Sportsman's Permit (\$1,000)

Entitles a purchaser of any age to the privileges of the Resident Sportsman's License (hunting) and the Resident Fisheries Conservation License (fishing). Fees for trout permits, leased lands permits, alligator permits, elk permits, state waterfowl stamps and wildlife management area permit hunts are waived with this license. License holders must apply, however, for WMA hunts and be successfully drawn before being issued a permit. Harvest Information Program registration, resident trapper permits and federal waterfowl stamps are still required with this license.

This permit is available from all AGFC regional offices and Little Rock headquarters (Page 1). Applicants must present proof of Arkansas residency for at least one year. See AGFC Code of Regulations for acceptable residency documentation. Applications are available at AGFC regional offices or by calling 800-364-4263 or 501-223-6456.

65 Plus Lifetime Hunting License (\$25, PLH)

Entitles Arkansas residents 65 or older to the privileges of the Resident Sportsman's License. A Resident Trapper's Permit is required to trap furbearers. HIP registration is required to hunt migratory game birds. To hunt waterfowl, a state lifetime waterfowl permit (purchased once after age 65) and federal waterfowl stamps are required in addition to HIP. This license is available on the internet and at all AGFC regional offices, including nature centers and Little Rock headquarters. Customers must be an Arkansas resident for 60 days to purchase.

65 Plus Lifetime Combination License (\$35.50, PLC)

Entitles Arkansas residents 65 or older to the privileges of the Resident Sportsman's License (hunting) and the Resident Fisheries Conservation License. A Resident Trapper's Permit is required to trap furbearers. HIP registration is required to hunt migratory game birds. To hunt waterfowl, a state lifetime waterfowl permit (purchased once after age 65) and federal waterfowl stamps are required in addition to HIP. A lifetime trout permit (purchased once after age 65) must be purchased to fish in certain waters. This license is available on the Internet and at all AGFC regional offices, including nature centers and Little Rock headquarters. Customers must be an Arkansas resident for 60 days to purchase.

The lifetime waterfowl permit and lifetime trout permit are available on the internet and at all AGFC regional offices, including nature centers and Little Rock headquarters. Customers must be an Arkansas resident for 60 days to purchase. Information is available by calling 800-364-4263, 8 a.m.-4:30 p.m. Monday-Friday or online at www.agfc.com.

65 Plus Annual Sportsman's License (\$3.50)

Entitles Arkansas residents 65 or older to the privileges of the Resident Sportsman's License. A Resident Trapper's Permit is required to trap furbearers. Valid through June 30. Six deer tags and two turkey tags are included with this license. HIP registration is required to hunt migratory game birds. To hunt waterfowl, a state waterfowl stamp and federal waterfowl stamp are required in addition to HIP. This license is available on the internet and at all AGFC regional offices, including nature centers and Little Rock headquarters. Customers must be an Arkansas resident for 60 days to purchase.

Military Lifetime Licenses

Resident Military Retiree Lifetime Licenses are available at any AGFC regional office. Sportsmen must be 60 or older and show proof of 60 days' Arkansas residency and retirement from a branch of the U.S. Armed Services. Military lifetime trout and state waterfowl stamp permits, federal waterfowl stamps, resident trapping permits and HIP registration are not included with this license.

Resident Disabled Military Veteran Lifetime Licenses are available at the Little Rock office only. There is no age requirement for this license, but sportsmen must show proof of 60 days' Arkansas residency and proof of service-connected disability.

- Veterans with 100 percent permanent service-connected disability may purchase a Resident Disabled Military Veteran Lifetime Fishing License (VLF) for \$1.50, a Resident Disabled Military Veteran Lifetime Hunting License (VLH) for \$1.50 or a Resident Disabled Military Veteran Lifetime Combination License (VLC) for \$3. This license does not include state or federal waterfowl stamps, trout stamps, trapping permits or HIP registration. Veterans Lifetime State Waterfowl Stamps (VLD, \$7) and trout stamps (VLT, \$5) are available. Please contact the Little Rock office for more information.
- Veterans with a 70 percent permanent service-connected disability or veterans with a 50 percent service-connected disability and have received the Purple Heart Medal may purchase a Resident Disabled Military Veteran Lifetime Combination License (VLL), which includes hunting, fishing, trout and state waterfowl stamp privileges for \$52.50.

Reciprocal Licenses

Mississippi and Arkansas recognize the validity of Arkansas resident hunting licenses on Mississippi lands west of the main channel of the Mississippi River. Mississippi resident hunting licenses are valid on Arkansas lands east of the main channel. Resident license holders of either state may hunt migratory waterfowl on flowing waters of the Mississippi River, on waters accessible by boat from the main channel of the Mississippi River or on state line lakes when the season is open in both states. The St. Francis, White and Arkansas rivers and their oxbows are excluded from this agreement. Floodwater is not included in this agreement. Hunters must obey the regulations of the state where they're hunting.

See pages 39, 48 and the tags section for tagging requirements.

Tennessee and Arkansas recognize the hunting licenses of both states on the flowing waters of the Mississippi River, adjacent waters that are accessible by boat from the river proper, and the old river chutes that form a common boundary. Excluded are wildlife management areas established by either state and the Wolf, Loosahatchie, Hatchie, Forked Deer and Obion rivers. Migratory waterfowl may be hunted on these waters by a license holder of either state when the season is open in both states. Hunters may not hunt from, nor attach any device or equipment to, land under the jurisdiction of the state in which they are not licensed. Hunters must obey regulations of the state that issues the license. Holders of nonresident licenses issued by either state have the same privileges as a licensed resident.

Violation Points

A person convicted of violating an AGFC hunting, fishing or boating violation or a federal wildlife regulation in Arkansas may be assessed violation points in addition to other fines and penalties.

Point values will be assessed as follows:

Class of Offense	Points
Class 1	6
Class 2	12
Class 3	18
Class 4	30
Class 5	99
Unclassified Offense	0

Visit www.agfc.com/code for penalty classifications.

The AGFC shall suspend the hunting and fishing rights, privileges, and any related licenses of Any person who has accumulated 18 or more violation points within a 5-year period will have their hunting and fishing rights suspended as follows:

- Accumulated 18 or more violation points within the past 5 years for violations of Commission regulations;
- Illegally obtained or used someone else's a license, permit, tag, or stamp;
- Permitted a fraudulent or unlawful use of his license, permit, tag, or stamp;
- Under either federal law or another state's law, has received a lifetime revocation of hunting or fishing privileges, or been convicted within the past 5 years of violations which would have led to an Arkansas suspension or revocation;
- Failed to comply with any term of a license, permit, tag or stamp;
- Failed to comply with any term of a citation for a hunting or fishing violation.

Points Accumulated in Five Years	Hunting and Fishing License Suspension
18-24	1-year suspension
25-48	2-years suspension
49-72	3-years suspension
73-98	5-years suspension
99 (resulting from Class 5 offense)	7-years suspension

Any person who receives a hunting suspension shall be ineligible to apply for any Commission permit hunts during the period of suspension; however, an owner of a private inholding having a hunting suspension shall be eligible to apply for WMA Hunting Permits for use only by persons who possess a valid hunting license.

Interstate Wildlife Violator Compact

Arkansas residents convicted of wildlife violations in another state also may receive violation points on their Arkansas record. Anyone who loses hunting and fishing privileges in another state may not be eligible to hunt and fish in Arkansas. Violators of Arkansas wildlife laws may also see similar restrictions in other states as well. Visit www.agfc.com/iwvc for more information.

General Regulations

It is illegal to:

- interfere with AGFC employees or agents performing their duties or flee from an officer.
- aid, accompany or abet someone else in a violation.
- hunt or fish after license revocation or suspension.
- transport illegally taken wildlife across state lines. You may ship wildlife from Arkansas if you display on the package your name, address, the species and quantity of wildlife.
- fail to comply with the terms of a Commission-issued permit.
- use deer scents, lures or other items that contain natural deer urine or other biofluids taken from deer.
- buy or sell wildlife (or their parts) except for pelts or carcasses of furbearers, squirrel tails and pelts, rabbit pelts, turkey bones, deer antlers, deer hides, elk antlers, elk hides, or feathers not protected by federal regulation 50 CFR §20. For more information, refer to AGFC Code of Regulations 05.04.
- hunt 30 minutes after sunset to 30 minutes before sunrise, unless legally hunting furbearers. Trappers may use a .22 caliber or smaller rimfire firearm while checking sets at night. Refer to the 2020-21 Arkansas Waterfowl Guidebook for shooting hours for migratory game birds and waterfowl.
- point, aim, hunt or shoot a firearm or archery equipment across, from or within 100 feet of the centerline of any city, county, state or federally maintained road (see exceptions below).
 - **Exception 1:** Trappers may use legal firearms to harvest animals caught in legally set traps.
 - **Exception 2:** Licensed/permitted falconers may hunt with and trap birds of prey in accordance with state and federal falconry regulations.
- shine an artificial light from a public road, street, highway or within a wildlife management area.
- hunt or possess a hunting device in state or national parks. Exceptions are Buffalo National River WMA (Page 82) and Hobbs State Park-Conservation Area (pages 96-97).
- possess wildlife taken by someone else unless accompanied by a signed statement from the taker stating name, address, species, date taken and license number. This requirement also applies to deer camps, commercial storage/processing facilities and taxidermists.

See example on Page 28.
- hunt swimming deer. Deer may not be driven or captured from a boat. Deer may not be hunted from watercraft on public waters.

WARNING:

Arkansas residents convicted of wildlife violations in another state also may receive violation points on their Arkansas record. Anyone who loses hunting and fishing privileges in another state may not be eligible to hunt and fish in Arkansas. Violators of Arkansas wildlife laws may also see similar restrictions in other states as well. Visit www.agfc.com/iwvc for more information. See Page 18.

Wildlife Regulations

You may not hunt wildlife:

- except during open hunting seasons.
- from a boat at night.
- from an aircraft.
- that is fleeing from floods or fires.
- using deadfalls, drugs, chemicals, poisons, booby traps or explosives.
- from a moving motorized land vehicle.
- from or across the main levee of the Mississippi River and Arkansas River from the Louisiana border to the intersection of state Highway 11 (north of Grady in Lincoln County).
- using electronic tracking or telemetry equipment to locate wildlife.
- using computer-assisted hunting equipment.

Closed Seasons

There are no open seasons for any species not discussed in this or any other Arkansas Game and Fish Commission regulations guidebook.

Endangered Species

For information on endangered and threatened species of Arkansas, visit www.agfc.com/endangered.

Importing Wildlife

It is illegal to import native or exotic wildlife into Arkansas without proper AGFC permits. For more information, call 800-364-4263 or visit www.agfc.com/captive.

Celebrate your first deer with an official AGFC certificate.

Visit www.agfc.com/myfirstharvest to print yours today.

Wildlife Pets

It is illegal to catch, trap or possess deer of any age. For information on keeping native wildlife as pets, visit www.agfc.com/captive.

Nuisance Animals

Beaver, coyote, muskrat, nutria, opossum, raccoon, striped skunk, squirrel and nongame wildlife other than bats, migratory birds and endangered species that are causing damage to property may be taken during daylight hours or trapped the entire year.

A hunting license is required in addition to a Depredation Permit to kill, trap or shoot nuisance game animals other than beaver, muskrat, nutria, coyote, opossum, raccoon, squirrel and striped skunk outside of the hunting and trapping seasons. Available at all AGFC regional offices (found on Page 1).

Live traps: Nuisance animals may also be removed by landowners (or their designees) at any time without a Depredation Permit using live traps. Trapping in towns must be in compliance with municipal ordinances. Wildlife must be released unharmed outside the municipality's boundaries within 24 hours. Live traps must have ONE of the following permanently attached:

- Trapper's name and address,
- Trapper's driver's license number,
- Trapper's hunting license number, or
- Trapper's vehicle license plate number.

Wildlife Rehabilitators

Rehabilitation of cervid species (white-tailed deer or elk) or black bears is prohibited. For information on wildlife rehabilitators, visit www.agfc.com/rehab.

Feeding and Baiting Wildlife

Baiting is defined as the direct or indirect placing, exposing, depositing, distributing or scattering of salt, grain or other feed that could serve as a lure or an attraction for wildlife to, on or over any areas where hunters are attempting to take them. It is legal to feed wildlife, with these exceptions:

- Bears may not be fed or baited for any reason, including photography or viewing, unless it is 30 days before bear season through the end of bear season on private land in bear zones 1, 2, 5 and 5A. See Page 39.
- Baiting is not allowed on wildlife management areas.

Wanton Waste

It is illegal to discard (or allow to go to waste) any edible portion of fish or game animals taken.

Edible portions are:

- Game mammals – front quarters, hind quarters, loins and tenderloins
- Game fish – fillets
- Game birds – breasts
- Frogs – hind legs
- Alligators – tail, legs, flanks, loins and tenderloins

It also is illegal to discard any portion of furbearers or other game animals that has legal marketable or commercial value, EXCEPT: rough fish, bobcats, coyotes, crows, skunks, raccoon, opossum, squirrel pelts, rabbit pelts, turkey bones, deer antlers, deer hides, elk antlers, elk hides, and feathers not protected by federal regulation 50 CFR §20. Wildlife causing damage to property that are killed in accordance with nuisance wildlife regulations are not subject to these requirements.

It also is illegal to dispose of unused portions of game animal carcasses on cemetery property; in streams, rivers, ponds and lakes; or within 50 yards of the center line of a public road.

Failure to report a hunting- or trapping-related incident

It is unlawful for persons to fail to immediately report a hunting- or trapping-related incident involving personal injury above basic first-aid treatment to the Arkansas Game and Fish Commission so an investigation may be conducted.

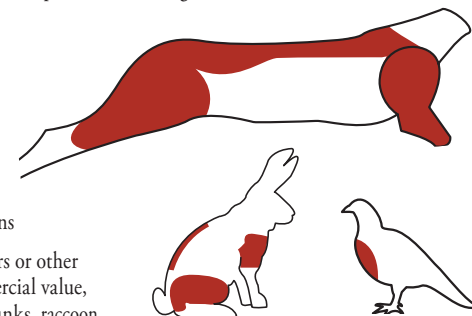

If the incident involves only one individual and they are admitted to the hospital and incapacitated for any length of time, the incident should then be reported as soon as possible.

To report hunting-related incidents, please call 800-482-9262.

Release of Animals Into the Wild

Wildlife may not be released into the wild without prior AGFC approval. For more information, visit www.agfc.com/captive.

- Deer and elk may be hunted over bait in the CWD Management Zone from Sept. 1-Dec. 31 on private land only.
- Migratory birds, wild turkeys, waterfowl or crows may not be hunted over bait if the hunter knows, or should reasonably know, the area is baited.
- An area is considered baited for 10 days following complete removal of the bait.
- Alligators may not be fed or baited for any reasons, including hunting, photography or viewing.

Property Regulations

Hunting Near a Residence

Hunters who own or lease property may hunt on that property, regardless of distance to another person's residence.

However, all other hunters using firearms within 150 yards of a residence or using archery equipment within 50 yards of a residence must have written permission from the owner or occupant of that residence.

Hunting on Private Property

Written permission (see example on Page 28) from the landowner or leaseholder is required before hunting, fishing, trapping or releasing hunting dogs or pursuing wildlife with dogs on private property.

Written permission is not required if the person hunting is a relative of the landowner or leaseholder and permission can be verified.

See Page 73 for information on inholdings.

Posting Land Requirements

Who may post property? The owner or leaseholder.

Posting land:

1. Signs may be placed not more than 100 feet apart and at each road entrance. The signs shall bear the words "POSTED" and/or "NO TRESPASSING" in letters at least 4 inches tall. Signs shall be readily visible to a person approaching the property.

2. Vertical paint marks at least 8 inches in length may be placed on trees or posts no more than 100 feet apart and at each road entrance. The paint marks shall not be less than 3 feet nor more than 5 feet high, and shall be readily visible to a person approaching the property.

If you are posting cultivated land, orchards, pasture land, impoundments or anything else:

Same as (1) or (2) but the distance between signs or paint marks may be up to 1,000 feet.

Which paint should be used? Posting paint is purple tree-marking paint prescribed by the Arkansas Forestry Commission, 501-296-1940. Most paint stores can help.

Legal Hunting Equipment

Archery

Long, recurve and compound bows: Must have at least a 35-pound pull. Scopes, string locks and mechanical string releases may be used. Big-game hunters must use arrowheads at least 7/8-inches wide (mechanicals OK). Arrows and arrowheads containing firearm ammunition or poison may not be used.

Crossbow: Crossbows must have at least a 125-pound pull and a mechanical safety. Scopes may be used. Big-game hunters must use arrowheads at least 7/8-inches wide (including mechanicals). Arrows and arrowheads containing firearm ammunition or poison may not be used.

Propelled Arrows: Arrows propelled from a compressed air system or by the action of an explosive or combustible propellant may not be used.

Muzzleloader

To be used for deer hunting, muzzleloading rifles must have a barrel 18 inches or longer and be .40 caliber or larger. Magnifying sights may be used. The use of shot is not legal. Legal muzzleloaders use flint, percussion cap, primer or electronic pulse, must have the bullet loaded through the muzzle and are not capable of firing a cartridge.

Hunters may use muzzleloading handguns with:

- barrels 9 inches or longer
- .45 caliber or larger if they shoot conical bullets (200 grains or heavier), or
- .530 caliber or larger if they shoot round balls.

A hunter may carry a muzzleloading handgun of any caliber as backup to a muzzleloading rifle.

Modern Gun

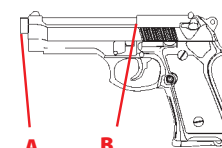

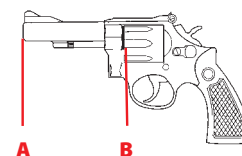

Modern guns may be used for deer EXCEPT:

- buckshot in a .410 shotgun.
- shot smaller than No. 4 buckshot in any shotgun.
- rimfire cartridges, military or full metal jacketed ammunition.
- centerfire rifles or handguns smaller than .22 caliber.
- handguns with barrels shorter than 4 inches. See illustration, right.

NOTE: The AGFC has approved for modern gun deer season the use of large-bore air rifles that meet certain standards. The large-bore air rifle must be at least .40-caliber, shoot a single, expandable slug, produce at least 400 feet/pounds of energy at the muzzle, and be charged from an external tank. Large-bore air rifles are not legal for harvesting bear or elk.

In zones 4, and 5 modern guns are restricted to:

- shotguns .410 or larger with slugs,
- handguns with barrels 4 to 10 inches long chambered specifically for straight-walled centerfire cartridges loaded with lead, lead alloy, soft nose and/or hollow point bullets .30 caliber or larger,
- large bore air rifles (see above),
- muzzleloaders.

The barrel of a handgun must be at least 4 inches measured from A to B

Hunting Equipment Legal by Season

- Modern guns, muzzleloaders or archery equipment may be used during modern gun seasons.
- Hunters may carry only muzzleloaders and archery equipment during muzzleloader deer or bear seasons.
- Hunters may carry only archery equipment during archery deer and bear seasons.
- Hunters may use air rifles on small game.
- **Firearms may be carried on WMAs, but may not be used for any hunting purpose unless the weapon is legal for that season.**

Hunter Orange Requirements

Hunters and those accompanying hunters in areas where modern gun or muzzleloader deer, bear or elk seasons are open must wear at least 400 square inches of hunter orange, chartreuse or blaze camouflage above the waist and a head garment of those same

safety colors. Safety colors are not required for migratory bird hunters in these areas. See Page 73 for hunter orange requirements on ground blinds on WMAs.

Hunting Dogs

Up to two dogs can be used to trail wounded deer after hunters have notified the AGFC Radio Dispatch toll-free at 800-482-9262.

Each hunting dog must have a collar with its owner's name, phone number and address. Waterfowl retrievers do not need to wear collars while hunting or retrieving as long as the collar bearing the owner's name, address and phone number is carried. Handguns or shotguns with blank ammunition may be used while training bird dogs.

Individuals or organizations may hold captive on a temporary basis raccoons, foxes, coyotes or pen-raised quail, chukar or pheasant for the purposes of dog training or sanctioned field trials with the approval of the AGFC Chief of Wildlife Management.

Using dogs to chase wildlife for pleasure is prohibited April 1-May 15 with these exceptions: 1) hunting within fox and coyote enclosures, 2) during sanctioned field trials, and 3) chasing for pleasure is allowed from 60 minutes after sunset until 60 minutes before sunrise.

During the youth turkey hunt, the use of dogs to chase wildlife is only allowed from 60 minutes after sunset to 60 minutes before sunrise.

Dogs may be used to chase deer for training purposes Oct. 1-Dec. 31, from 30 minutes before sunrise until 30 minutes after sunset, only in deer zones where dogs can legally be used for hunting deer during the modern gun deer seasons, except during a muzzleloader deer season. Possession of a killing device is prohibited when using dogs to chase wildlife for pleasure or when training/allowing dogs to chase deer unless a modern gun deer season is open when and where dogs are allowed.

Carcass Importation Restrictions

Possession of Game Taken Outside Arkansas

It is unlawful for a hunter to import, transport or possess in Arkansas, any portion of a deer, elk, moose or caribou other than the items listed on page 7 from outside the boundaries of Arkansas.

Deer harvested between the Mississippi River levees in neighboring states of Tennessee and Mississippi are excluded from this regulation.

Arkansas Natural Heritage Commission

The Arkansas Natural Heritage Commission's system of natural areas represents some of the best, and last, remnants of Arkansas's original natural landscape. Lands within the System of Natural Areas provide vital habitat for imperiled plant and animal species. Inclusion and recognition of some Natural Areas in the Wildlife Management Area system ensures these lands are protected while providing opportunities for public use.

Every effort has been made to provide maximum opportunity, maintain safety, protect healthy wildlife populations and adhere to the conservation values that resulted in the Natural Heritage Commission's inclusion of these properties in the System of Natural

Areas. Management activities (prescribed burns, site monitoring, nonnative species removal) may occur during various hunting seasons.

Travel within these natural areas is limited to foot traffic to minimize erosion and disturbance to sensitive habitats. Motorized vehicles, horses, camping and construction of permanent hunting stands are prohibited on ANHC natural areas. The Arkansas Natural Heritage Commission regulates removal of vegetation and nongame animals through collection permits.

Some areas have limited access, and it is the hunter's responsibility to obtain permission to access adjacent private landowner's property.

USDA Forest Service Regulations

Ozark-St. Francis National Forest
479-964-7200 • www.fs.usda.gov/osfnf

Ouachita National Forest
501-321-5202 • www.fs.usda.gov/ouachita

For controlled burn information and to receive a schedule of controlled burns on USFS lands, please call 501-321-5232.

In addition to state and federal game and fish laws, the following regulations apply to USDA National Forests:

Camping

- Some developed campgrounds require a fee. Developed campsites may be occupied for no more than 14 consecutive days.
- Undeveloped campsites are first come/first served and cannot be reserved. Undeveloped campsites may be occupied for no more than 30 consecutive days.
- Camping or operating/parking motorized vehicles is not allowed in wildlife openings or food plots.
- Leaving a campfire unattended or allowing it to escape is prohibited.

It is illegal to:

- Damage or remove any natural feature or other property of the U.S. without permit or contract. Gathering firewood that is dead and down for camp use is allowed. (The possession or use of metal detectors within a prehistoric, historic or archaeological site is prohibited.)
- Construct roads or structures (including tree stands). Portable tree stands must be removed by season's end. Note: The Ouachita National Forest requires tree stands to be moved every 14 days.
- Bait game species.
- Discharge a firearm or other implement capable of taking human life on or across a Forest Service road or within 150 yards of a campsite, residence or occupied area.

- Violate any state traffic law on any National Forest road, state highways or county road crossing National Forest land.
- Interfere with the use of a road, trail or gate. This includes placing a campsite, vehicle or other structure in front of a gate or open road.
- Abandon personal property or litter (including dumping sewage). Sanitary dump stations are at: Blanchard Springs, Cedar Lake, Lake Sylvia, Lake Wedington, Little Pines, Long Pool and Shady Lake recreation areas.
- Possess an alcoholic beverage. This includes an open container of alcohol in a motor vehicle, or while in the act of hunting.

Vehicles

The Ouachita and Ozark-St. Francis National Forests have designated systems of roads and trails for public motor vehicle use. Operating any motorized vehicle on a road posted as closed, closed by an earthen mound, gate or other object, or not designated for motorized vehicle use in official Forest Service maps is prohibited. Maps of designated routes are available at www.fs.usda.gov/osfnf, www.fs.usda.gov/ouachita or any Forest Service office.

Commercial activity permits

Anyone providing commercial outfitting or guiding services on National Forest land must have a permit. This includes all businesses providing services on NFS lands. Contact the nearest ranger district office or visit www.fs.fed.us/passespermits/ for more information.

Do not transport firewood onto campgrounds! Stop the spread of invasive insect species. Use local sources for firewood.

If you're a camper heading out for a trip – or just getting firewood for your wood stove – do nature a favor. Don't move firewood long distances – it can potentially transport invasive species. Instead, buy it where you'll burn it, buy certified heat-treated firewood – or gather on site where permitted. The forests, and your great-great-grandkids, will thank you.

Authorities in Arkansas advise that firewood should be bought and used locally to prevent the spread of pests into and within the state. The movement of any hardwood firewood from inside the emerald ash borer federal quarantine area, now encompassing the entire state, to outside the quarantine zone is prohibited. For information on pests, quarantines, or regulated items, the Arkansas State Plant Board may be contacted at: 501-225-1598 or info@aspb.ar.gov.

Carcass Identification Tag

If the head is removed from harvested big game, harvest information must remain with all other portions until point of final storage, including while in transit. Use this tag to label all portions of harvested big game.

Feral Hogs

A Threat to Arkansas Wildlife

Arkansas law prohibits the sale and transport of live feral hogs. For more information regarding swine laws and regulations in Arkansas, visit: www.agfc.com/feralhogs.

Shooting Feral Hogs

On private land, feral hogs may be killed or trapped year-round with any method, by a landowner or anyone with the landowner's permission.

Hunting Dogs

Dogs are not allowed for hunting feral hogs on WMAs. Hunting hogs is not allowed on WMAs other than incidental take (see below).

Hogs on Wildlife Management Areas

Feral hogs may be killed by hunters who are hunting bear, deer or elk during a firearm season with weapons legal for those seasons; hogs may be taken incidentally with archery tackle from Nov. 1-Dec. 31, during open bear, deer and elk seasons, except on the following WMAs and National Wildlife Refuges:

Bayou Des Arc	Harris Brake	Robert L. Hankins Mud Creek
Bell Slough	H.E. Flanagan Prairie Natural Area	Roth Prairie Natural Area
Benson Creek Natural Area	Hobbs State Park Conservation Area	Sandhills Natural Area
Big Creek	Holland Bottoms	Sheffield Nelson Dagmar
Brewer Lake/Cypress Creek	Howard Hensley – Searcy Co.	Slippery Hollow Natural Area
Brushy Creek	Iron Mountain Natural Area	Smoke Hole Natural Area
Cattail Marsh	Kingsland Prairie Natural Area	Stateline Sand Ponds Natural Area
Cedar Creek	Lake Overcup	Stone Prairie
Cherokee Prairie Natural Area	Lee County	Sweden Creek Natural Area
Cove Creek Natural Area	Longview Saline Natural Area	Terre Noire Natural Area
Cypress Bayou	Maumelle River	Two Bayou Creek
Dave Donaldson Black River	Mike Freeze Wattensaw	Warren Prairie Natural Area
Earl Buss Bayou DeView	Nacatoch Ravines Natural Area	W.E. Brewer Scatter Creek
Electric Island	Palmetto Flats Natural Area	White Cliffs Natural Area
Ethel	Pine City Natural Area	Whitehall
Falcon Bottoms Natural Area	Prairie Bayou	Wittsburg Natural Area
Foushee Cave Natural Area	Railroad Prairie Natural Area	
Frierson	Rex Hancock Black Swamp	
Frog Bayou	Rick Evans Grandview Prairie	Big Lake NWR
Garrett Hollow Natural Area	Ring Slough	Holla Bend NWR
Hall Creek Barrens Natural Area	River Bend	

All other WMAs and NWRs not listed are open to incidental taking of feral hogs.

Hunters must comply with all hunting license and permit requirements. Feral hogs killed on WMAs can be taken for processing or left where they were shot.

Quail, Rabbit and Squirrel

Quail

Statewide: Nov. 1-Feb. 7.

Daily limit – 6, possession limit – 12.

While training bird dogs, you may use handguns or shotguns with blank ammunition. Pen-raised quail may be taken with a Shoot-To-Kill Bird Dog Field Training Permit. This permit is available from your local wildlife officer.

Rabbit

Statewide: Sept. 1-Feb. 28.

Daily limit – 8, possession limit – 16.

Rabbits may not be hunted with rifles or handguns larger than .22 caliber rimfire or with muzzleloaders larger than .40 caliber unless a modern gun or muzzleloading deer season, bear season or coyote season is open. Rabbits may not be hunted with shotguns using rifled slugs or shot larger than T shot. Up to eight box traps (with interior dimensions up to 8 inches wide and 10 inches tall) may be used.

Squirrel

Statewide: May 15, 2020-Feb. 28, 2021, and May 15, 2021-Feb. 28, 2022.

Dogs allowed.

Daily limit – 12, possession limit – 48.

Squirrels may not be hunted with rifles or handguns larger than .22 caliber rimfire or with muzzleloaders larger than .40 caliber unless a modern gun or muzzleloading deer season, bear season or coyote season is open. Squirrels may not be hunted with shotguns using rifled slugs or shot larger than T shot.

Crow

Statewide: Sept. 1-Feb. 21.
Open Thursdays through Mondays only.

No bag limit.

Crows may not be hunted with rifles or handguns larger than .22 caliber rimfire or with muzzleloaders larger than .40 caliber (unless a modern gun or muzzle loading deer season, bear season, or coyote season is open). Crows may not be hunted with shotguns using rifled slugs or shot larger than T shot. Crows may not be hunted over bait.

Furbearer Hunting

Furbearer Hunting Methods

It is unlawful to hunt raccoon, opossum, or bobcat at night with any rifled slug or shot size larger than No. T, or with any rifle or handgun ammunition other than rimfire ammunition of .22 caliber or smaller.

A valid hunting license and a Predator Control Permit allows for the year round take of certain predator species on private land. Applications available at agfc.com

Gray Fox, Red Fox, Muskrat and Mink

Statewide: sunrise, Sept. 1-sunset, Feb. 28.
Day hunting only.

Bag limit is two per day. Foxes may be taken during daylight hours with archery equipment, or any rifle or shotgun ammunition. Refer to Page 75 for hunting equipment legal on WMAs.

Opossum, Raccoon and Striped Skunk

Statewide: Jan. 1-Dec. 31.
Day or night hunting; dogs are required for hunting at night.

Bag limit unlimited.

Bobcat

Statewide: sunrise, Sept. 1-sunset, Feb. 28.
Dogs allowed to hunt bobcats during the day. Dogs required to hunt bobcats at night.

Statewide: during turkey season. Day hunting only. No dogs allowed.

Bag limit is two per day. Dogs are not allowed in deer zones where a firearms deer season is in progress that prohibits the use of dogs. During youth turkey hunts, only youths may take bobcats.

Bobcats may be taken during daylight hours with archery equipment, or any rifle or shotgun ammunition. Refer to Page 75 for hunting equipment legal on WMAs.

River Otter

Statewide: sunrise, Nov. 14-sunset, Feb. 28.
Day hunting only.

Bag limit is two per day.

Coyote

Statewide: sunrise, Jan. 1-sunset, Dec. 31.
Dogs allowed to hunt coyotes during the day. Coyotes may not be hunted at night.

Statewide: during turkey season. Day hunting only – no dogs allowed.

No **bag limit** on coyote. Dogs are not allowed in deer zones where a firearms deer season is in progress that prohibits the use of dogs. During youth turkey hunts, only youths may take coyotes.

Coyotes may be taken during daylight hours with archery equipment, or any rifle or shotgun ammunition. Refer to Page 75 for hunting equipment legal on WMAs.

Nutria and Beaver

Statewide: sunrise, Sept. 1-sunset, March 31.
Day hunting only.
No bag limit.

Badger, Spotted Skunk and Weasel

Statewide hunting: closed.

Furbearer Trapping

Trappers 16 and older must have a current trapper permit in addition to a hunting license to trap furbearers (see Page 12). Trapper permits are valid during open trapping season. Permits are available from www.agfc.com or by calling 800-364-GAME, ext. 6333. A Predator Control Permit is available for private land only at agfc.com

Furbearer Trapping

Statewide: sunrise, Nov. 14-sunset, Feb. 28.
Excludes coyote, beaver and nutria.

No bag limit.

Coyote

Statewide: sunrise, Aug. 1-sunset, March 31.

No bag limit.

Beaver and Nutria

Statewide: sunrise, Nov. 14-sunset, March 31.

No bag limit.

Checking Requirements

Traps must be checked daily except kill traps, which shall be checked within 72 hours.

Permissible Land-Set Traps

Smooth-jawed foothold traps with a jaw spread of 6 inches or less (measured from the inside edge of the trap at the dog)(traps in excess of 5 inches must have offset or rubber-padded jaws); body-gripping traps with a jaw spread of 6 inches or less (measured on the inside edge of the trap from hinge-to-hinge and from top-to-bottom at the dog and may not exceed the specified maximum size either horizontally or vertically); and box traps.

Permissible Water-Set Traps

Smooth-jawed foothold traps with a jaw spread of 8.5 inches or less (measured from the inside edge of the trap at the dog); body-gripping traps with a jaw spread of 11 inches or less (measured on the inside edge of the trap from hinge-to-hinge and from top-to-bottom at the dog and may not exceed the specified maximum size either horizontally or vertically); and box traps.

Snares

Leg snares are prohibited. Snares are allowed in water sets. Snares are allowed on land, but land snares set farther than 20 feet from a permanent body of water must have a functional “deer lock” that prevents them closing smaller than 2½ inches. Land snares must have a single-piece lock and must be braided cable with a loop no larger than 12 inches in diameter (from side-to-side) and the bottom of the loop no higher than 10 inches from the ground. No snare may be set or maintained in a public road right-of-way or touch any fence when fully extended.

Bait

Animal matter may not be used as bait within 20 feet of a trap set unless it is covered. Bait must be covered in such a way as to withstand wave action, wind action or other normal environmental conditions that could cause it to become visible.

Identification

Traps, including snares, must have either the trapper's name and address, their driver's license number, their vehicle license plate number or customer ID number.

Pelts: Untanned pelts must belong to species of furbearers that have an open season in Arkansas. Bobcat and river otter pelts must have cites tag attached prior to being shipped out of state. Possession of untanned river otter pelts from April 1 to the beginning of the river otter hunting season is not allowed except for those taken with a depredation permit.

It is a violation to interfere with legal trapping, including tampering with or destroying traps set by someone else.

Fur Dealers

Anyone purchasing or reselling furbearer pelts or carcasses is required to have a fur dealer permit and complete the AGFC Fur Dealer Report daily. Arkansas residents purchasing tanned pelts, taxidermy mounts

or whole carcasses of legally taken furbearers for personal use do not require a dealer permit and report. The Fur Dealer Report must be made available for inspection by AGFC employees and be submitted to the AGFC by May 5.

Elk

Core Elk Management Zone (all private and public lands within Boone, Carroll, Madison, Newton and Searcy counties)

Public Land – Elk Zones 1, 2, 3 and 4: Oct.5-9 and Oct. 26-30 (Permit required)
Youth hunt: Oct. 3-4 and Oct. 24-25

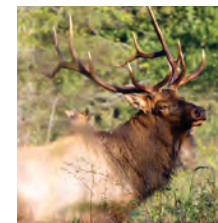

Private Land – Visit www.agfc.com for more information about private land elk hunting quota and call-in.

Private Land Core Elk Zone: Oct. 5-9 and Oct. 26-30 (Permit required)
Youth hunt: Oct. 3-4 (antlerless only) and Oct. 24-25 (antlerless only)

Season Bag Limit – One elk either sex.

Statewide Elk Zone – Elk found outside of the Core Elk Management Zone may be taken without a permit during deer season with weapon legal for that season. Hunters who harvest an elk outside of the core elk management zone must immediately call 1-800-482-9262 to receive checking and tagging information.

- A permit is required. Nonresidents are ineligible to take or attempt to take elk in core elk zone using a public land permit obtained through the permit draw process.
- Information and applications can be found at www.agfc.com or by calling any AGFC regional office.
- The application period for public land is May 1-June 1 with permits selected by random draw in late June. Private land elk permits are available for purchase after May 15, 2020. No deadline for private land elk permits
- AGFC must be contacted at 1-800-482-9262 immediately upon harvest of an elk. All harvested elk must be checked online at www.agfc.com within 12 hours of harvest. Hunters are required to submit a viable chronic wasting disease sample for testing by presenting the elk head to an AGFC biologist.

Alligator

Season Dates: Sept. 18-21 and Sept. 25-28, 2020

Season Limit: One alligator (must be 4 feet or longer)

Alligator Public Land Hunts by drawn permit only, visit www.agfc.com for details.

Private Land Hunt (Quota hunt, permit required) Hunters must call 1-800-440-1477 after 2 p.m. the day of their hunt to determine if the zone quota has been met.

The season ends Sept. 28, or the night the quota is reached, whichever comes first.

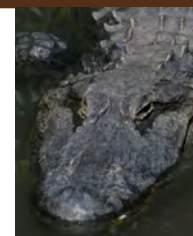

Zone Quotas:

- AMZ 1 – 52 alligators
- AMZ 2 – 5 alligators
- AMZ 3 – 69 alligators
- All other zones closed

Visit www.agfc.com for more information about private land alligator hunting quota, an online orientation and call-in procedure.

Hunt Notes:

- Private land alligator permits are available for purchase at www.agfc.com June 15-September 27.
- Nonresidents are ineligible to take or attempt to take alligator. Youths under 16 years of age are ineligible.
- AGFC must be contacted at 1-800-482-9262 immediately upon harvest of an alligator. All harvested alligators must be checked online at www.agfc.com within 12 hours of harvest.
- CITES tag will be issued to successful hunters upon verification of online checking.

Bear

Statewide Bear Season Zone Regulations

Archery Season

Zones 1 and 2: Sept. 26-Nov. 30
(Zone 1 closes earlier if zone quota is reached)
Zones 3, 4, 5, 5A, 6 and 7: closed.

Muzzleloader

Zones 1 and 2: Oct. 17-25
(Zone 1 closes earlier if zone quota is reached)
Zones 3, 4, 5, 5A, 6 and 7: closed.

Special Youth Modern Gun Bear Hunt

Zones 1 and 2: Nov. 7-8
(Zone 1 closes earlier if zone quota is reached)

Notes for Zone 1 and 2: Excludes WMAs that require a deer permit to harvest a bear. Only youths, 6-15 years of age, may harvest a bear. Youths who have completed a hunter education course must be accompanied by an adult mentor who is 18 years of age or older. Youths who have not completed a hunter education course must be under the direct supervision of an adult mentor who is 21 years of age or older.

Zones 3, 4, 5, 5A, 6 and 7: closed.

Modern Gun

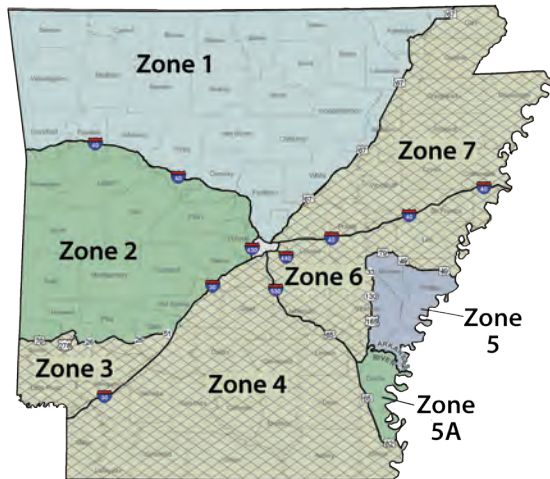

Zones 1 and 2: Nov. 14-30
(Zone 1 closes earlier if zone quota is reached)
Zone 5: Nov. 21-29 (closes earlier if zone quota is reached)
Zone 5A: Nov. 21-Dec. 6 (closes earlier if zone quota is reached)
Zones 3, 4, 6 and 7: closed.

Seasonal Bag Limit

Season bag limit is **one** statewide in bear zones 1, 2, 5 and 5A by any method.

Use WMA/NWR number instead of bear zone number when hunting on a WMA or NWR.
WMA/NWR regulations and dates (pages 66-126) apply when hunting on a WMA or NWR.

BEAR ZONE MAP

**Taking a bear with a radio collar is illegal.
Please don't shoot bears with cubs.**

Harvest Quota

Bear hunters must call 800-440-1477 the evening before hunting for the number of bears checked. Bear season closes the day each quota has been reached:

Bear Zone 1 (See pages 79-121 for WMAs excluded from this quota.)

- Archery quota - 400 bears
- Muzzleloader quota - 50 bears
- Modern gun quota - 50 bears

Bear Zone 5 - 10 bears

Bear Zone 5A - 5 bears

Tagging and Checking a Bear

Option 1. Immediately upon taking a bear (before moving it), you must check your harvest online, by the AGFC mobile app or phone (877-731-5627) and have confirmation number readily available.

Option 2. Fill out the game tag provided in this guidebook in ink. You may substitute a piece of paper for this tag, it must include the hunter's name, the date and bear zone of harvest or confirmation number written legibly in ink. After tagging your game call 877-731-5627, visit www.agfc.com or use the AGFC mobile app within 12 hrs to complete checking.

Successful hunter must submit a premolar to fulfill the check requirement for a bear. The picture below explains how to extract a premolar. A premolar must be submitted within 7 days AFTER you receive your premolar package from AGFC.

Baiting

Bait, foodstuffs or the use of any kind of lure to attract bears is not allowed except on private lands in bear zones 1, 2, 5 and 5A, 30 days before the opening day of the first bear season until the last day of the last bear season in each respective bear zone.

If baiting bear within the CWD Management Zone (Page 7) prior to September 1, only the following bait(s) are allowed: dog food, cat food, pastries/breads, cooking oils and grease, non-wildlife meat scraps, popped popcorn and fish or fish byproducts.

Special Bear Regulations

- It is unlawful to take or attempt to take a bear wearing a radio telemetry collar.
- It is unlawful to take a denned bear or one that is being pursued by dogs.
- Hunting equipment legal for taking bear is the same as that legal for taking deer (Page 23) except that shotguns must be 20-gauge or larger and use rifled slugs.

Attention Bear Hunters

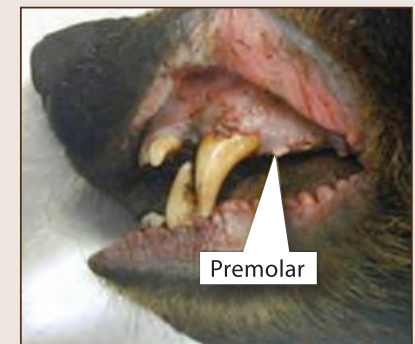

Hunters who successfully harvest a bear must submit a tooth within 7 days after you have received your premolar package from AGFC.

How do I collect a tooth?

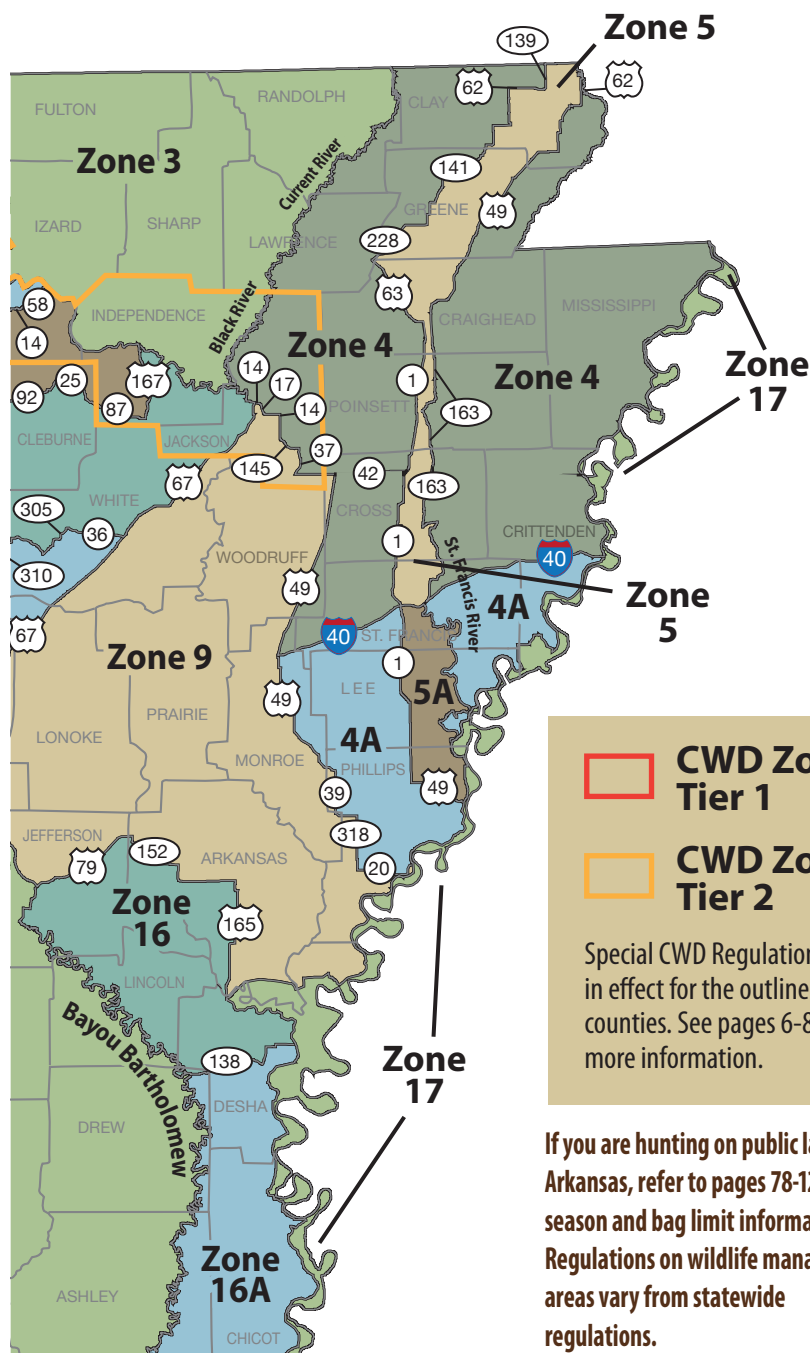

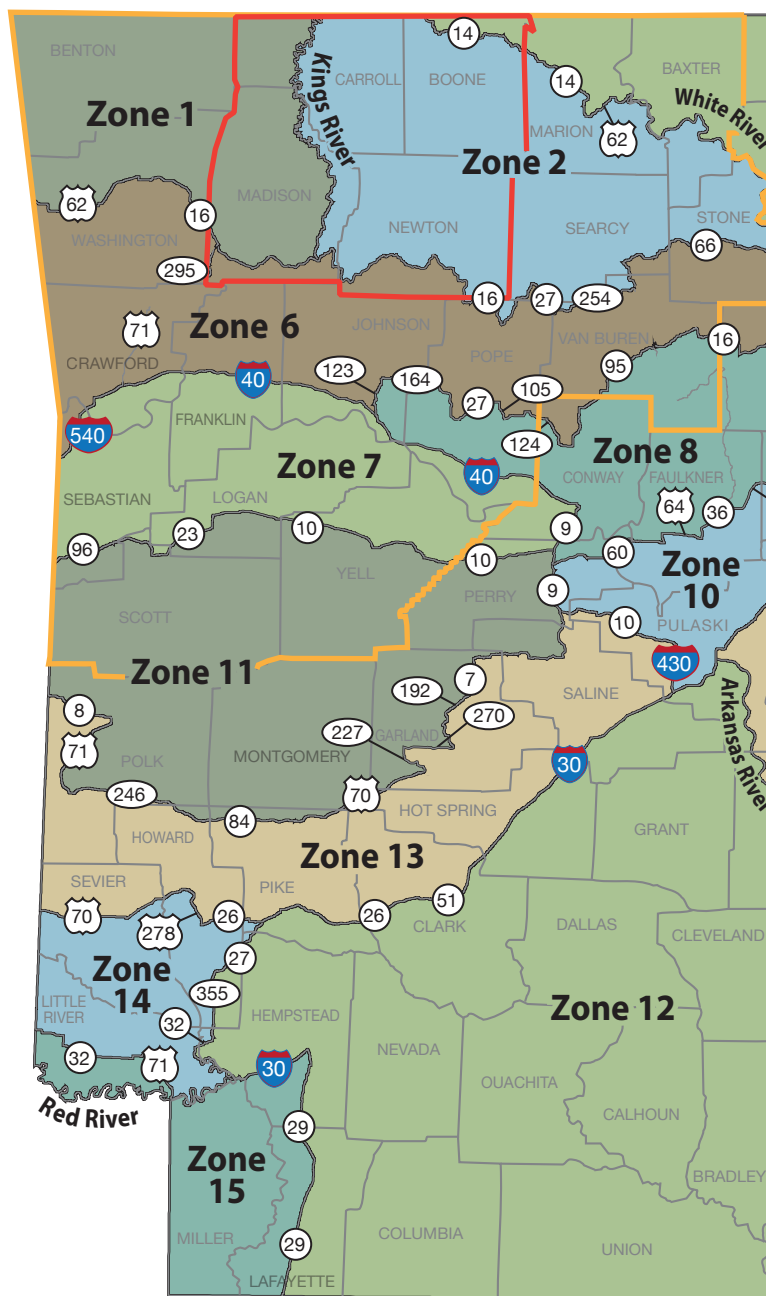

The upper and lower premolar tooth is right behind the canine tooth (see photo). Premolars generally come out of the jaw easily with a small flat awl, screwdriver or locking knife blade (be careful). First, cut the gum around the tooth. Then lift the tooth out gently by undercutting the premolar, using the curve of the canine tooth to guide you. The bear's age can only be determined by the root of the tooth, so be careful not to break the root as you extract the tooth. If you break the root, try extracting another premolar from the top or bottom.

What is the need for submitting a tooth?

Aging harvested bears lets biologists accurately model bear populations and monitor the population structure. Age data must be collected from all harvested bears to better manage bear populations.

2020-21 Deer Zone Map

CWD Zone Tier 1

CWD Zone Tier 2

Special CWD Regulations are in effect for the outlined counties. See pages 6-8 for more information.

If you are hunting on public land in Arkansas, refer to pages 78-126 for season and bag limit information. Regulations on wildlife management areas vary from statewide regulations.

Deer

Refer to pages 40-41 for deer zone map.

Mark Your Calendars for Next Year: 2021 Deer Season Opening Dates

Archery.....	Sept. 25, 2021
Muzzleloader.....	Oct. 16, 2021
Modern Gun.....	Nov. 13, 2021

Statewide Bag Limit

The seasonal statewide bag limit is six deer, of which no more than two may be bucks. The statewide seasonal limit may be taken in any combination of zones or methods as long as individual zone bag limits are not exceeded. Antler-point restrictions do not apply to hunters 6-15 years of age.

Deer Seasons and Regulations by Zone

The following regulations are for private land and for public land that is not part of a Wildlife Management Area or a National Wildlife Refuge. Each Wildlife Management Area and National Wildlife Refuge is an individual zone. See pages 66-126 for public land zone numbers and regulations.

Deer Zone 1

Season Dates

Archery: Sept. 26-Feb. 28

Muzzleloader: Oct. 17-25 and Dec. 12-14

Private Land Antlerless-only Modern Gun Hunt: Dec. 29-31

Special Youth Modern Gun Hunt: Nov. 7-8 and Jan. 2-3. See Page 49 for regulations.

Modern Gun: Nov. 14-Dec. 6 and Dec. 26-28

Zone Bag Limit

Limit – Five deer, no more than two bucks, which may include:

- Two antlered bucks with archery, muzzleloader or modern gun,
- Five antlerless with archery,
- Three antlerless with muzzleloader and modern gun combined.

Zone Notes

- No dogs allowed for deer hunting.
- No antler-point restrictions on harvest.
- Button bucks count as antlerless deer, but must be checked as a button buck.
- Button bucks do NOT count toward a hunter's buck limit in this zone.
- CWD regulations apply. See pages 6-8 for more information.

Deer Zone 2

Season Dates

Archery: Sept. 26-Feb. 28

Muzzleloader: Oct. 17-25 and Dec. 12-14

Private Land Antlerless-only Modern Gun Hunt: Dec. 29-31

Special Youth Modern Gun Hunt: Nov. 7-8 and Jan. 2-3. See Page 49 for regulations.

Modern Gun: Nov. 14-Dec. 6 and Dec. 26-28

Zone Bag Limit

Limit – Five deer, no more than two bucks, which may include:

- Two antlered bucks with archery, muzzleloader or modern gun,
- Five antlerless with archery,
- Three antlerless with muzzleloader and modern gun combined.

Zone Notes

- No dogs allowed for deer hunting.
- No antler-point restrictions on harvest.
- Button bucks count as antlerless deer, but must be checked as a button buck.
- Button bucks do NOT count toward a hunter's buck limit in this zone.
- CWD regulations apply. See pages 6-8 for more information.

Deer Zone 3

Season Dates

Archery: Sept. 26-Feb. 28

Muzzleloader: Oct. 17-25 and Dec. 12-14

Private Land Antlerless-only Modern Gun Hunt: Dec. 29-31

Special Youth Modern Gun Hunt: Nov. 7-8 and Jan. 2-3. See Page 49 for regulations.

Modern Gun: Nov. 14-Dec. 6 and Dec. 26-28

Zone Bag Limit

Limit – Five deer, no more than two bucks, which may include:

- Two antlered bucks with archery, muzzleloader or modern gun,
- Five antlerless with archery,
- Three antlerless with muzzleloader and modern gun combined.

Zone Notes

- No dogs allowed for deer hunting.
- No antler point restrictions on harvest within the CWD counties. All other counties within this zone legal bucks must be a button buck or have at least three points on one side of their rack.
- Button bucks count as antlerless deer, but must be checked as a button buck.
- Button bucks do NOT count toward a hunter's buck limit in this zone.
- In Baxter, Boone, Independence, and Marion counties, CWD regulations apply. See pages 6-8 for more information.

Deer Zone 4

Season Dates

Archery: Sept. 26-Feb. 28

Muzzleloader: Closed

Private Land Antlerless-only Modern Gun Hunt: Dec. 29-31

Special Youth Modern Gun Hunt: Nov. 7-8 and Jan. 2-3. See Page 49 for regulations.

Modern Gun: Nov. 14-22 and Dec. 26-28

Zone Bag Limit

Limit – Three deer, no more than two bucks, which may include:

- Two bucks with archery or modern gun,
- Three does with archery,
- One doe with modern gun.

Zone Notes

- No dogs allowed for deer hunting.
- No antler point restrictions on harvest within the CWD counties. All other counties within this zone legal bucks must be a button buck or have at least three points on one side of their rack.
- Special modern gun restrictions apply (see Page

23).

- Button bucks DO count toward a hunter's buck limit in this zone.
- In Jackson county CWD regulations apply. See pages 6-8 for more information.

Deer Zone 4A

Season Dates

Archery: Sept. 26-Feb. 28

Muzzleloader: Oct. 17-25 and Dec. 19-21

Private Land Antlerless-only Modern Gun Hunt: Dec. 29-31

Special Youth Modern Gun Hunt: Nov. 7-8 and Jan. 2-3. See Page 49 for regulations.

Modern Gun: Nov. 14-Dec. 13 and Dec. 26-28

Zone Bag Limit

Limit – Three deer, no more than two bucks, which may include:

- Two bucks with archery, muzzleloader or modern gun,
- Three does with archery,
- Two does with muzzleloader and modern gun combined.

Zone Notes

- No dogs allowed for deer hunting.

- Legal bucks must be button bucks or have antlers with at least 15-inch inside spread or 18-inch main beam.
- Button bucks DO count toward a hunter's buck limit in this zone.

Special Youth Modern Gun Deer Hunt

All zones: Nov. 7-8 and Jan 2-3. All youth hunters must have a FREE customer ID number available at www.agfc.com. Only hunters 6-15 years old may harvest deer during the special youth modern gun deer hunt. Youths who have not completed hunter education must be under the direct supervision of an adult at least 21 years old. Mentors may not hunt any species during the hunt. All zone bag limits apply during the youth hunt, and youths may take any buck, regardless of antler points. No dogs. **“Direct Supervision” is defined as within arm’s reach.**

Exceptions:

- Bowhunters may hunt during the youth hunt, but must wear hunter orange or chartreuse.
- Some WMAs have permit-based youth seasons, or are otherwise closed to deer hunting during youth season. Check pages 78-126.

Private Land Antlerless-Only Modern Gun Hunt

Statewide: Dec. 29-31. All deer harvested during the antlerless only modern gun hunt will count toward the seasonal bag limit. Archery tackle may be used to harvest bucks during the antlerless only modern gun hunt, but all hunters must wear hunter orange or chartreuse. No dogs. Hunters must possess only one type of weapon.

Tagging and Checking a Deer

Option 1. Immediately upon harvest and before moving deer check via internet, mobile app or phone 877-731-5627.

Option 2. Step 1. Immediately upon taking a deer (before moving it), fill out the appropriate deer tag from your license and complete all information, except Check #, legibly and in ink. Fasten the tag to the ear or antler. The original tag must remain as attached to the deer until point of final storage.

Duplicate harvest information reflecting the name, address, species, sex, date taken and check confirmation number must remain with all portions until point of final storage, including while in transit (Page 28).

- Use the deer zone map on pages 40-41 for zone numbers for deer harvested on private lands. Use the zone map on pages 66-67 for zone numbers for deer harvested on public lands.

Step 2. Call 877-731-5627, visit www.agfc.com or use the **AGFC mobile app** to check your deer within 12 hours of harvest.

- After checking game, record the check number on your tag.
- Entrails may be removed, but evidence of the animal’s sex must remain until checked. Deer may be quartered in the field, but the head must be kept within arm’s reach of all four quarters of the animal until checked.
- No deer/elk may be transported out of the CWD Management Zone without following procedures set out on Page 7.
- No big game animal may be transported across state lines before being checked unless normal travel routes require a hunter to cross a state line to check the animal.
- If you choose to give away all or a portion of your game after it has been checked, you must use a game transfer form (Page 28).

FREE Customer ID Number
Required for ALL youth hunters, available at www.agfc.com.

What Is a Legal Buck?

For Youth Hunters

Hunters who are 6 to 15 years old may harvest any buck without regard to antler size or points.

For All Other Hunters

On private land within the CWD Management Zone (Page 6) – Any buck may be harvested, regardless of antler size or points.

On private land within Deer Zones 16, 16A and 17 – A legal buck must have:

- Both antlers under 2 inches (button buck),
- An inside spread of at least 15 inches, or
- At least one main beam 18 inches or longer

On all other private land – a legal buck must have:

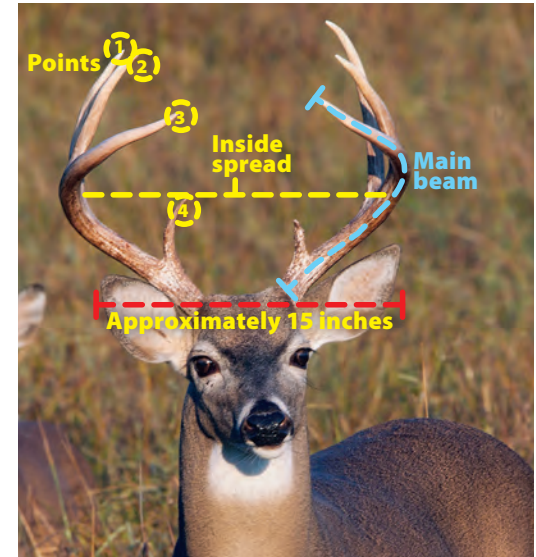

- Both antlers shorter than 2 inches (button buck) or
- Have at least three points (including the main beam) on one side of his rack. Points must be at least 1 inch long to count.

On WMAs, refer to pages 78-126 for antler-size/point restrictions for each WMA/NWR.

Button Bucks

Any buck with antlers shorter than 2 inches should be checked as a button buck regardless of the county or deer zone where it was harvested.

- Button bucks harvested in Deer Zones 1,2,3,6,7,8,10,11, and 13 count towards a hunter’s antlerless bag limit and will not count against the hunter’s seasonal buck limit.
- Button bucks harvested in Deer Zones 4,4A,5,5A,9,12,14,15,16,16A, and 17 do count against the hunter’s seasonal buck bag limit.

Inside antler spread is the measurement from the inside of one main beam to the inside of the other main beam at its widest point.

Main beam length is the measurement from the antler’s base to the tip, following the curve of the beam.

Flood Prone Regions

Current gauge readings and flood prone region closures are available by calling AGFC toll-free, 800-440-1477, or by checking www.agfc.com. Readings are updated by 3 p.m. daily.

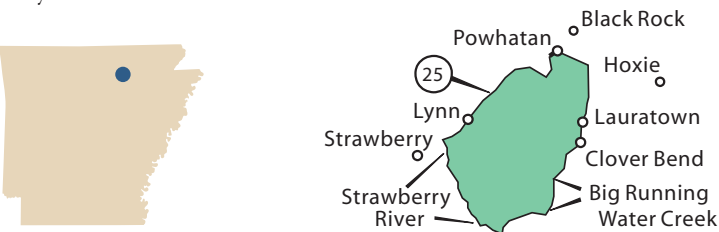

Black River Flood Prone Region closes to deer hunting when the Black River gauge at Corning exceeds 11 feet and reopens when it falls below 9.5 feet. This region includes Dave Donaldson Black River WMA and the three mitigation units of Dave Donaldson Black River WMA in Clay County north of U.S. Highway 62. This region now extends to the Arkansas/Missouri state line.

St. Francis Flood Prone Region closes to deer hunting when the St. Francis River gauge at Oak Donnick reaches 216 msl and reopens when it falls below 215 msl. This region includes St. Francis River Sunken Lands WMA.

Shirey Bay Rainey Brake Flood Prone Region closes to deer hunting when the gauge at Black Rock on the Black River reaches 23 feet and reopens when the gauge falls below 19 feet. This region includes Shirey Bay Rainey Brake WMA.

Flood Prone Region A closes to deer hunting when the Cache River gauge at Patterson reaches 12 feet. This restriction is lifted when the Cache River gauge at Patterson falls to or below 11 feet. WMAs in this region include Brushy Creek WMA, Earl Buss Bayou DeView WMA, Village Creek and Whitehall WMA.

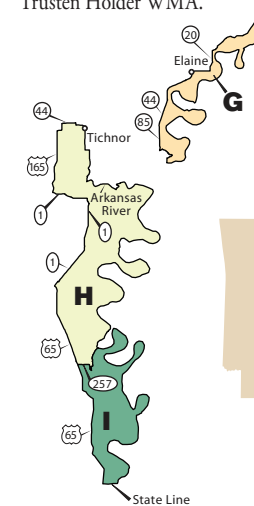

Flood Prone Region B closes to deer hunting when the White River gauge at Augusta reaches 31 feet. This restriction is lifted when the gauge at Augusta falls below 30 feet **and** the White River gauge at Georgetown falls to or below 19 feet. WMAs in this region include Bayou Des Arc WMA, Departee Creek WMA, Steve N. Wilson Raft Creek WMA and Bald Knob NWR.

Flood Prone Region C closes to deer hunting when the Cache River gauge at Patterson reaches 11 feet. This restriction is lifted when the gauge falls to or below 9.5 feet. Rex Hancock Black Swamp WMA is located in this region; however it closes when the Patterson gauge exceeds 10 feet and reopens when it falls below 8.5.

Flood Prone Region D closes to deer hunting when the White River gauge at Clarendon reaches 28 feet. This restriction is lifted when the gauge falls to or below 27 feet. WMAs in this region include Mike Freeze Wattensaw WMA, Benson Creek Natural Area WMA and Sheffield Nelson Dagmar WMA.

Flood Prone Region E closes to deer hunting when the White River gauge at St. Charles reaches 26 feet. This restriction is lifted when the gauge falls to or below 23.5 feet.

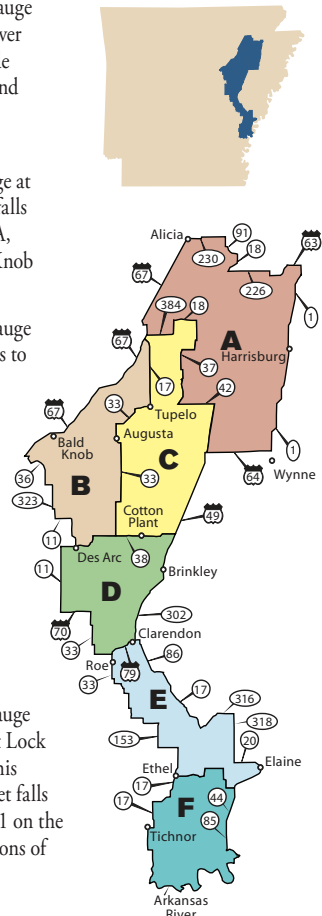

Flood Prone Region F closes to deer hunting when the White River gauge at Graham Burke Outlet reaches 150 feet MSL (30 ft.) **and** the gauge at Lock and Dam No. 1 (Norrel) on the Arkansas River reaches 145 feet msl. This restriction is lifted when the White River gauge at Graham Burke Outlet falls to or below 148 feet MSL (28 ft.) **and** the gauge at Lock and Dam No. 1 on the Arkansas River falls to or below 143 feet msl. This region includes portions of Trusten Holder WMA.

Flood Prone Region G closes to deer hunting when the Mississippi River gauge at Helena reaches 44 feet. This restriction is lifted when the gauge falls to or below 42 feet.

Flood Prone Region H closes to deer hunting when the Mississippi River gauge at Arkansas City reaches 37 feet. This restriction is lifted when the gauge falls to or below 35 feet. This region includes portions of Trusten Holder WMA.

Flood Prone Region I closes to deer hunting when the Mississippi River gauge at Greenville reaches 48 feet. This restriction is lifted when the gauge falls to or below 46 feet.

For NWR Flood Prone closures refer to pages 123-124.

General WMA Regulations

Call 1-800-440-1477 to check WMA road closures before hunting

On property owned, leased or cooperatively managed by the AGFC, you may not:

- post signs or disobey official signs
- damage AGFC buildings, structures, signs or property
- remove rocks, fruits, nuts, acorns, artifacts, plants or any other objects (except shed deer antlers).
- burn any non-combustible materials in campsites (glass, nails, etc.)
- burn wood, brush or grass outside of designated campsites
- leave a fire unattended or allow one to escape from control.
- discharge or possess fireworks
- bait wildlife, except in legally set traps for furbearers
- cut trees or use chemical defoliants
- build, attach or occupy a permanent hunting stand, building, shelter or moored houseboat
- leave personal property on a WMA, except trail cameras and legal portable stands and blinds (Page 73).
- operate a boat in a negligent or reckless manner. This may result in a one-year ban on all WMAs (Page 76).
- use cutting devices other than hunting knives

Hunting Stands and Blinds

A portable hunting stand is any device or structure used for the purpose of hunting that can be carried and erected by hand.

Portable hunting stands and blinds and associated equipment using no metal objects (such as screw-in steps) to be screwed or driven into trees may be used, but must have the owner's name and address permanently attached. Stands must be moved at least 200 yards after seven days.

Deer stands and blinds may not be placed on a WMA more than seven days before deer archery season and must be removed from the WMA within seven days after the close of deer archery season.

Portable, pop-up blinds must have 144 square inches of blaze orange or chartreuse visible from all sides of the blind during firearms deer, bear and elk seasons on WMAs.

On USDA Forest Service lands, portable stands must comply with Forest Service regulations on Page 27.

Vehicles

Any motorized vehicle including, all-terrain vehicles, dune buggies, and amphibious vehicles are restricted on WMAs. Motorized vehicles as listed previously may not be operated off any open access road or parking area, behind gated, cabled or earthen barriers, or on levees, dams, food plots, fire lanes or roads developed for wildlife. Hunters with Mobility Impaired Access Permits may use ATVs with certain restrictions (see Page 74).

On leased lands WMAs:

- ATVs, motorcycles and bicycles are allowed on open, maintained roads within Cherokee and Jim Kress WMAs by hunters in possession of a valid leased lands permit for the purposes of traveling to and from hunting locations and/or camping sites only.
- Motorized vehicles, except for ATVs on main access roads, may not be used on Big Timber Upland Demonstration Area.
- ATVs are allowed on open roads and trails on Casey Jones, Gum Flats, Howard County, Lafayette County, Lake Greeson, Poison Springs (motorized vehicles are not allowed on boundary lines that have been cleared by the Arkansas Forestry Commission) and Provo WMAs by hunters for the purposes of traveling to or from hunting locations and/or camping sites during open hunting seasons only. WMA maps of open roads and trails are available at agfc.com.
- ATVs are allowed on designated open, maintained roads on Big Timber WMA by hunters to access hunting locations and/or camping sites during open hunting seasons only. Use of ATVs on right-of-ways is prohibited unless designated as an open road.
- Class 1 e bikes are permitted where bicycles are allowed.
- See Page 99 for ATV use on Jack Mountain WMA.

Inholdings

Each WMA is a separate zone for which the Commission may establish and apply hunting regulations. All private lands (including any combinations of lands separately owned, and regardless of whether such lands touch a road, creek, stream, river, lake or other waterbody) that are completely surrounded by WMA lands (except NWRs) shall be considered as inholdings. Such inholdings shall be subject to the same regulations pertaining to hunting season dates, hunting hours, bag limits and hunting permits as the surrounding WMA.

Exception:

Private lands that are completely surrounded by ANHC or NWR lands shall be subject to the same state regulations pertaining to hunting season dates, hunting hours, bag limits and hunting permits as the surrounding or nearest adjacent private land deer zone plus any federal regulations pertaining to ANHC or NWR inholdings.

On Ouachita and Ozark-St. Francis National Forests:

The Ouachita and Ozark-St. Francis National Forests have designated systems of roads and trails for public motor vehicle use. Any road or trail not classified for motorized vehicle use is closed. Operating any motorized vehicle on a road posted as closed, closed by an earthen mound, gate or other object, or not designated for motorized vehicle use in official Forest Service maps is prohibited. Maps of designated routes are available at www.fs.usda.gov/ouachita, www.fs.usda.gov/osfnf or any Forest Service office.

On the Natural Areas:

All Natural Area WMAs are limited to foot traffic only.

Mobility Impaired Access Permits

Mobility Impaired Access Permit holders may use ATVs on AGFC-owned WMAs on graveled, all-weather roads (unless posted closed to vehicles) and on designated signed mobility impaired access trails during hunting seasons with the following restrictions:

- Permit holders must hunt at least 100 feet but no more than 300 feet from graveled, all-weather roads. They may hunt anywhere within 300 feet of designated signed mobility impaired access trails.
- ATVs must remain within 300 feet of centerline of roads and/or trails during any hunting season.
- ATVs may be used only for stand placement and hunting.
- ATVs may be used beyond 300 feet from a road or mobility impaired access trail only to retrieve big game taken by the permit holder.
- Holders of AGFC Mobility Impaired Access (MIA) may operate ATVs only on designated mobility impaired access areas of Big Timber (Page 80-81), Jack Mountain (Page 99), McIlroy Madison County WMA (Page 104-105), Moro Big Pine Natural Area WMA (Page 105) and Nimrod Lloyd Millwood WMA (pages 106).
- Permit holders must be able to see their ATV at all times while hunting.
- Firearms must be unloaded and cased while being transported by ATV.

Licensed sportsmen who meet the following criteria are eligible for Mobility Impaired Access Permits:

- A permanent physical condition requiring the use of a brace, cane, crutch, prosthetic device, wheelchair, walker or portable oxygen
 - A permanent cardiac condition classified as Class III or IV by the American Heart Association
 - Permanent lung disease which severely restricts respiration to the levels stipulated on the application form
- Applications are available at AGFC regional offices (Page 1), by phone (800-364-4263 during business hours) or online at www.agfc.com, click on "Buy Licenses."

Mobility Impaired Hunts

Permit deer hunts are available for mobility impaired hunters on Bearcat Hollow, Dardanelle, Freddie Black Choctaw Island East Unit, Greers Ferry, Hobbs State Park-Conservation Area, Lake Greeson, Nimrod Lloyd Millwood, Trusten Holder, Wedington and White Rock WMAs and Dale Bumpers White River and Pond Creek NWRs. Refer to pages 79-126 for details.

Deer Permit Hunts

Hunting is allowed on several WMAs and NWRs only during special permit hunts to manage deer populations and prevent crowding. Only permit holders are allowed to engage in any hunting-related activity during permit hunts. Hunter education requirements have been removed for youth hunters 6-15 years of age participating in WMA permit hunts, but the hunter must obtain a free customer ID number by going to www.agfc.com.

Other hunting seasons, except waterfowl, are closed during permit hunts, unless otherwise noted on the back of the permit. Visit www.agfc.com from June 1 until July 1 to apply for a permit deer hunt. Permit notifications will be sent by email.

Leased Lands Permits

Permits are available for \$40 which entitle the holder to hunt, trap (trapper permit required) and camp on leased land WMAs – Big Timber WMA, Casey Jones WMA, Cedar Mountain WMA, Cherokee WMA, Jim Kress WMA, Gum Flats WMA, Howard County WMA, Jack Mountain WMA, Lafayette County WMA, Lake Greeson WMA and Provo WMA. Each leased lands WMA requires a separate permit. A WMA General Use Permit is also required to hunt on any WMAs.

Youths 15 years of age and younger are not required to have a permit. Permits are valid for one year from the date of purchase. Maps are available at www.agfc.com.

Hunters must get permission from landowners to travel through neighboring private lands.

General Use Permit (WMP)

A free annual WMA General Use Permit is required to hunt or trap on all WMAs along with any quota hunt permits or access permits. See WMA area notes for permits required.

Shooting From Roads

Shooting from or across any public road or hunting within 100 feet of a public or privately maintained road on any WMA is prohibited (see exceptions below). See pages 66-72 for Leased Land WMAs in your area.

- **Exception 1:** Trappers may use legal firearms to harvest animals caught in legally set traps.
- **Exception 2:** Licensed/permitted falconers may hunt with and trap birds of prey in accordance with state and federal falconry regulations.

- **Exception 3:** Small game (excluding fox, bobcat and coyote) being pursued or treed by a dog or under the point of a dog may be taken within 100 feet from the centerline of a road on Big Timber, Casey Jones, Cherokee, Gum Flats, Howard County, Jack Mountain, Jim Kress, Lafayette County, Lake Greeson, Moro Big Pine Natural Area and Provo WMAs provided the road is not city, county, state or federally maintained.

Hunting Equipment

Traps may not be possessed on WMAs unless a season is open. Rifles and handguns larger than .22 caliber rimfire, buckshot or rifled slugs may be used only during modern gun deer, bear or elk seasons or during daylight hours during bobcat, fox and coyote seasons. Muzzleloaders may be used during firearms season, except for muzzleloaders larger than .40 caliber, which may not be used on any WMA unless a muzzleloading or modern firearm deer, bear or elk season is open. Unless otherwise prohibited, bobcat, fox and coyote may be taken during daylight hours with firearms of any caliber during bobcat, fox and coyote seasons on AGFC-owned WMAs, Blue Mountain WMA, Dardanelle WMA, J. Perry Mikles Blue Mountain SUA, Nimrod Lloyd Millwood WMA, Ozark Lake WMA and all U.S. Forest Service lands including WMAs lying within the Ouachita National Forest and the Ozark-St. Francis National Forest.

Firearms may be carried on WMAs, but may not be used for any hunting purpose, unless the weapon is legal for that season.

Hunting Dogs

Dogs are not allowed for hunting feral hogs on WMAs. Unless noted on specific areas, wildlife management areas are closed to dogs, except in the following instances:

- Quail and rabbit dog training is allowed Sept. 1-April 1, except during firearms deer hunts where dogs are not allowed.
- UKC, AKC and ACHA field trials are allowed when approved by the AGFC.
- Waterfowl retrievers may be used during open migratory bird seasons.
- Dogs are required for raccoon, bobcat and opossum hunting at night.
- Dogs may be used for hunting squirrel, rabbit or bobcat except during firearms deer hunts where dogs are not allowed.

Horses and Mules

Pleasure riding and organized trail rides are allowed during February, March and June through September on AGFC-owned land and Cherokee, Jim Kress, Poison Springs and Jack Mountain WMAs. Permits for organized events involving 10 or more horses or mules are available by request from wildlife management area headquarters and must be obtained at least two weeks in advance of the event. Horses and riders are restricted to established trails or roads. Horses and mules are allowed only in camping areas that are designated for equestrian use. Horses in camping areas may be tied to trailers or to a highline using tree saver straps. Horses or mules may not be allowed to damage trees or other woody vegetation. Soil disturbance must be restored, manure must be scattered and excess feed, hay and any trash must be removed. Please contact the individual National Forest for specific details.

Unless otherwise noted for specific WMAs or SUAs, hunters may use horses or mules during open seasons on most WMAs or at night during furbearer season.

Camping

Unless otherwise noted under a specific WMA, camping is limited to no more than 14 consecutive days and must be in a designated camping area. Camps may not remain unoccupied for more than 48 hours. Creating a disturbance after 10 p.m. is not allowed. It is unlawful to camp or use any campsite for more than 30 days total during one calendar year.

Nonhunters camping with a permit holder do not need to have a permit while camping. Loaded firearms are not allowed in camping areas or parking lots.

Possession of Alcohol

It is unlawful to possess alcoholic beverages on Commission-controlled WMAs.

Except:

- on a private inholding.
- in a vehicle on a public road in compliance with applicable law.
- in a boat on a navigable waterway in compliance with applicable law.
- in a boat while fishing and in accordance with applicable law.

Boating Regulations on Wildlife Management Areas and National Wildlife Refuges

It is unlawful to operate a boat in any manner that is hazardous to persons or property on any part of a WMA or NWR including ramps, structures, boat lanes or other areas.

Examples of illegal boating practices include:

- 1) Weaving through congested vessel traffic;
- 2) Jumping the wake of another vessel too close to such other vessel;
- 3) Operating a vessel when visibility is obstructed;
- 4) Moving at a speed that exceeds the safe and reasonable limits under the circumstances or that creates a hazardous wash or wake upon approaching or passing vessels;
- 5) Inattentive operation;
- 6) Failure to keep a proper lookout;
- 7) Failure to observe navigation rules;
- 8) Colliding with, striking or bumping another vessel, object or person;
- 9) Operating while intoxicated or under the influence of any narcotic drug, barbiturate, or marijuana or while under any physical or mental disability so as to be incapable of operating safely under the circumstances;
- 10) Swerving at the last possible moment to avoid collision where correction reasonably could have been made earlier;
- 11) Otherwise operating a vessel in a manner that endangers life, limb or property.
- 12) Impeding the normal and reasonable movement of boating traffic, except when reduced speed is necessary for safe operation or in compliance with the law of regulations.

Any person found guilty of negligent operation (unintentional hazardous operation) may be fined \$250 to \$2,500, may be sentenced up to 60 days in jail and will be prohibited from accessing any WMA and/or NWR for one year from date of conviction.

Any person found guilty of reckless operation (intentional hazardous operation) may be fined \$500 to \$5,000, may be sentenced up to 90 days in jail, will be prohibited from accessing any WMA and/or NWR for one year from date of conviction and lose hunting and fishing privileges statewide for one year from the date of conviction.

Small Game and Migratory Bird Regulations, Season Dates and Limits on WMAs

Unless otherwise noted in the WMA listings on pages 78-121, All WMA season dates, limits and regulations for quail, rabbit, squirrel, crow, waterfowl and other migratory birds are the same as private land (pages 34-36).

Gray Fox, Red Fox and Mink Hunting

Sunrise, Sept. 1-sunset, Feb. 28.

Bag limit is two per day per species.

Refer to page 75 for hunting equipment legal on WMAs.

Opossum and Striped Skunk Hunting

Sept. 1-Feb. 28.

Day or night hunting allowed. No bag limit.

Bobcat Hunting

Sunrise, Sept. 1-sunset, Feb. 28.

During turkey season: Day hunting only – No dogs allowed. Bag limit is two per day.

During youth turkey hunts, only youths may take bobcats. Closed during turkey and squirrel seasons on WMAs where a turkey or squirrel season is closed. Refer to page 75 for hunting equipment legal on WMAs.

River Otter Hunting

Sunrise, Nov. 14-sunset, Feb. 28.

Day hunting only. Bag limit is two per day.

Raccoon Hunting

March 1-31.

Night hunting only. No bag limit.

Coyote Hunting

Sunrise, July 1-sunset, Feb. 28.

Coyote may not be hunted at night.

During turkey season. Day hunting only – No dogs allowed.

No bag limit. During youth turkey hunts, only youths may take coyotes. Closed during turkey and squirrel seasons on WMAs where a turkey or squirrel season is closed.

Refer to page 75 for hunting equipment legal on WMAs.

Nutria and Beaver Hunting

Sunrise, Sept. 1-sunset, Feb. 28.

Day hunting only. No bag limit.

Badger, Spotted Skunk and Weasel Hunting

Closed.

Trapping on WMAs

Unless otherwise specified on pages 79-121 trapping seasons and regulations on WMAs are the same as statewide regulations on Page 36.

WMA-Specific Regulations

Mobility Impaired Access = ●
Flood Prone Regions = ▲
CWD Zone = ★

All deer killed on WMAs count toward the statewide seasonal bag limit (Page 42).

Bayou Des Arc WMA ▲ (Zone 005)

AGFC 877-734-4581 • 953 acres • Prairie County

CLOSED: bear and alligator.

Deer Archery: Sept. 26-Feb. 28.

Deer Muzzleloader: Oct. 17-25 and Dec. 29-31.

Deer Modern Gun: Nov. 14-Dec. 20 and Dec. 26-28.

Deer Modern Gun Special Youth Hunt: Nov. 7-8 and Jan. 2-3.

Elk (permit hunt): Oct. 5-9 and Oct. 26-30.

Elk Youth (permit hunt): Oct. 3-4 and Oct. 24-25

Area Notes: A General Use Permit (WMP) is required (see Page 67). CWD Regulations apply in Marion, Newton and Searcy counties. See pages 6-8 for more information. This area is administered by the National Park Service in conjunction with AGFC. Please visit the Superintendent's Compendium available at www.nps.gov/buff for additional Federal regulations. Chase for pleasure and dog training are not allowed. Discharging firearms across, into or from the Buffalo River and its gravel bars is not allowed. Hunting is not allowed in developed areas. Firearms and crossbows must be unloaded and cased or broken down when in a developed campground. The operation of off-road motor vehicles is not allowed on roads, lands and waters within the Buffalo National River. Vehicles may not travel off-road. Campsites may not remain unattended for more than 24 hours. Sylamore WMA seasons and regulations apply to Buffalo National River lands in Marion and Baxter counties lying east of Big Creek and south and east of the Buffalo River. No trapping is allowed on Buffalo National River.

Camp Robinson SUA (Zone 100)

AGFC 877-967-7577 • 4,029 acres • Faulkner County

CLOSED: deer muzzleloader, bear muzzleloader, bear modern gun, alligator, and quail.

Deer Archery: Sept. 26-Feb. 28.

Deer Modern Gun (permit hunt): Nov. 14-16.

WMA Deer Bag Limit:
Three deer, no more than two bucks, which may include:

- Two bucks with archery,
- Three does with archery,
- One buck and one doe with modern gun permit.

Deer Notes: Three-point rule. No dogs.

Bear Archery: Sept. 26-Nov. 30.

Bear Notes: Statewide bag limit. No dogs. Seasons close earlier if zone quota is reached.

Area Notes: A General Use Permit (WMP) is required (see Page 67). Camp Robinson SUA has a military history, Munitions and Explosives of Concern may be present. Use caution; recognize these military items can be dangerous; if encountered retreat; do not touch! Move away from the area and call 911. Please check the current public use schedule prior to accessing the area to ensure that compartments are open for use. A public use schedule can be obtained online at www.agfc.com. Horseback riding for pleasure is allowed year-round; except during scheduled events, including field trials, in which the public use compartments are reserved. Bird dog, rabbit dog and waterfowl retriever training is allowed Sept. 15-April 1 except during firearm deer hunts and after supplemental quail releases. A current Arkansas hunting license is required for dog training. Waterfowl retriever training is allowed year-round in Compartment 5, except for during the firearm deer permit hunt. No person, multi-person party, driver or occupant of a single vehicle arriving at or being present at Camp Robinson Special Use Area's (SUA) compartment 5 may train, control or possess, or have in one vehicle more than four dogs except after 9 a.m. on Tuesday or Thursday. "Vehicle" means a car or truck with any accompanying trailer whether or not attached. Live ammunition is prohibited for dog training. Camping is limited to 7 days. Only enclosed, pull-activated, dogproof traps may be used for furbearer trapping.

Camp Robinson WMA (Zone 110)

National Guard 501-212-5230 • 9,319 acres

- During youth hunt, youths may take two deer, one buck (no antler restrictions) and one antlerless.

Deer Notes: Three point Rule within Cleburne County. No antler restrictions within Independence, Logan, Pope, Stone and Van Buren counties. No dogs.

Bear Archery: Sept. 26-Nov. 30.

Bear Muzzleloader: Oct. 17-25.

Bear Modern Gun: Nov. 14-30.

Bear Modern Gun Youth Hunt: Nov. 7-8.

Bear Notes: Statewide bag limit. No dogs. Seasons close earlier if zone quota is reached.

Area Notes: A General Use Permit (WMP) is required (see Page 67). A Cherokee WMA leased lands permit must be purchased to hunt, trap or camp on the area. CWD Regulations apply in Independence, Logan, Pope, Stone and Van Buren counties. See pages 6-8 for more information. Permanent deer stands are not allowed. Hunters in possession of a valid Cherokee WMA leased lands permit are allowed to use ATVs, motorcycles or bicycles only on open, maintained roads during an open hunting season while traveling to or from a campsite or hunting location. Dogs may be used for coyote, fox and bobcat hunting when the declared furbearer hunting season is open and firearms deer season is closed. Campsites are undeveloped and available on a first come/first serve basis. Camping is limited to no more than 14 consecutive days. Camps may not remain unoccupied for more than 48 hours. Creating a disturbance after 10 p.m. is not allowed. It is unlawful to camp or use any campsite for more than 30 days total during one calendar year. Nonhunters camping with a permit holder do not need to have a permit while camping.

Cherokee Prairie Natural Area WMA (Zone 130) ★

Arkansas Natural Heritage Commission 877-478-1043 • 584 acres

Deer Notes: No antler restriction. No dogs.

Quail: Dec. 1-Feb. 7.

Area Notes: A General Use Permit (WMP) is required (see Page 67). CWD Regulations apply. See pages 6-8 for more information. The Fort Chaffee Joint Maneuver Training Center (FCJMTTC) has updated the Policy Statement and the Sportsman's Map. The updated documents are available from the Environmental Office (Building 1370) on Tuesdays and Thursdays from 7 a.m. to 3 p.m. and are displayed on the legal access gate bulletin boards. Persons entering FCJMTTC must attend a Sportsman's Orientation class and comply with post regulations. Class schedule and locations are available by calling 479-484-3596, ext 2. Consumptive users must purchase a biennial sportsman's permit (\$20) while nonconsumptive or recreational users are required to have a biennial recreational permit (\$5 charge). Both are available at the class. Renewals or replacements are available Tuesdays and Thursdays from the Environmental Office from 7 a.m. to 3 p.m. FCJMTTC's modern gun and muzzleloader special hunt permit holders are required to have a current, valid recreational or sportsman's permit in order to participate. Renewals will no longer be made on the day of the hunt. Gates 16 and 22 open at 4:30 a.m. for the special hunts. Public use compartments may be closed due to military training. Legal access gates are posted with maps of compartments and calendars of open compartments. To contact the post for a list of open compartments, call 479-484-3597. Check Legal Access Gate bulletin boards each day.

WMA Bag Limit:
Three deer, no more than two bucks, which may include:

- Two bucks with archery,
- Three does with archery.

Deer Notes: Three-point rule. No dogs.

Area Notes: A General Use Permit (WMP) is required (see Page 67).

Rainey WMA (Zone 540) ★

AGFC 877-967-7577 • 488 acres • Pope County

CLOSED: alligator.

Deer Archery: Sept. 26-Feb. 28.

Deer Muzzleloader: Oct. 17-25 and Dec. 12-14.

Deer Modern Gun: Nov. 14-Dec. 6 and Dec. 26-28.

Deer Modern Gun Special Youth Hunt: Nov. 7-8 and Jan. 2-3.

WMA Deer Bag Limit:
Four deer, no more than two antlered bucks, which may include:

- Two antlered bucks with archery, muzzleloader or modern gun,
- Four antlerless with archery,
- One antlerless with muzzleloader or modern gun.
- During youth hunt, youths may take three deer, two antlered buck and one doe.

Deer Notes: No antler restriction. No dogs.

Bear Archery: Sept. 26-Nov. 30.

Bear Muzzleloader: Oct. 17-25.

Bear Modern Gun: Nov. 14-30.

Bear Modern Gun Youth Hunt: Nov. 7-8.

Bear Notes: Statewide bag limit. No dogs. Seasons close earlier if zone quota is reached.

Area Notes: A General Use Permit (WMP) is required (see Page 67). CWD Regulations apply. See pages 6-8 for more information.

Rex Hancock Black Swamp WMA (Zone 550) ▲

AGFC / Arkansas Natural Heritage Commission 877-734-4581
7,221 acres (includes Cache River Natural Area) • Woodruff County

CLOSED: bear and alligator.

Deer Archery: Sept. 26-Feb. 28.

Deer Muzzleloader (permit hunt): Oct. 17-21.

Deer Modern Gun (permit hunt): Nov. 14-18.

Deer Modern Gun Special Youth Hunt: Nov. 7-8

WMA Deer Bag Limit:
Three deer, no more than two bucks (no antler restrictions), which may include:

- Two bucks with archery,
- Three does with archery,
- One buck and one doe with muzzleloader permit,
- One buck and one doe with modern gun permit.
- Limit during the modern gun special youth hunt is two deer; one buck and one doe.

Deer Notes: No antler restrictions. No dogs.

Area Notes: A General Use Permit (WMP) is required (see Page 67). Only non-toxic shot may be possessed and used while hunting small game with shotguns. Deer hunting closes when the Cache River gauge at Patterson exceeds 10 feet and reopens when the gauge falls below 8.5 feet. The Lee LeBlanc Waterfowl Rest Area closes to access Nov. 1 and reopens to access Feb. 16. Call 800-440-1477 to check if roads are closed before heading out to hunt, fish or camp. For access restrictions that affect all users during waterfowl season, check the waterfowl guidebook or visit www.agfc.com/blackswampwma. No camping allowed in designated parking areas during Waterfowl Season.

Rick Evans Grandview Prairie WMA (Zone 551)

AGFC 877-777-5580 • 4,895 acres • Hempstead County

CLOSED: deer muzzleloader, deer modern gun, bear and alligator.

Deer Archery (permit hunt): Oct. 3-Nov. 29.

Deer Modern Gun (youth permit hunt): Dec. 5-6

WMA Deer Bag Limit:
Three deer, no more than one buck, which may include:

- One buck with archery permit,
- Two does with archery permit.
- During youth hunt, youths may take two deer, one buck and one doe.

Deer Notes: 15-inch inside spread or 18-inch main beam rule. No dogs. A doe must be harvested from the WMA, submitted for biodata at the WMA check station, and checked by phone or online before harvesting a buck. Buck quota hunt ends at sunset on the day the quota is met. Does harvested on this area are bonus deer and do not count against the statewide seasonal bag limit. Youth do not have to harvest a doe before a buck during any hunt.

Bobcat: Sunrise, Sept. 1-sunset, Feb. 29. Open during daylight hours only. Daily limit 2.

Coyote: Sunrise, July 1-sunset, Feb. 29. Open during daylight hours only. No limit.

Crow: Sept. 1-Feb. 21. Open Thursdays and Saturdays only. No Limit.

Area Notes: A General Use Permit (WMP) is required (see Page 67). Check antler restrictions on Page 49 for important additional information. Dove hunting is open Tuesdays, Thursdays and Saturdays only during the statewide dove seasons.

- Two bucks with archery,
- Three does with archery.
- Limit during the modern gun special youth hunt is 3 deer; 2 bucks (no antler restrictions) or up to 3 does

Deer Notes: Three-point rule. No dogs.

Area Notes: A General Use Permit (WMP) is required (see Page 67). Camping is not allowed. Interior roads are closed to vehicles.

Roth Prairie Natural Area WMA (Zone 560)

Arkansas Natural Heritage Commission 877-367-3559 • 41 acres
Arkansas County

CLOSED: deer muzzleloader, deer modern gun, bear and alligator.

Deer Archery: Sept. 26-Feb. 28.

WMA Deer Bag Limit:
Three deer, no more than two bucks, which may include:

- Two bucks with archery,
- Three does with archery.

Deer Notes: Three-point rule. No dogs.

Area Notes: A General Use Permit (WMP) is required (see Page 67).

St. Francis National Forest WMA (Zone 590)

USDA Forest Service 877-734-4581 • 22,798 acres
Lee, Phillips counties

CLOSED: bear and alligator.

Deer Archery: Sept. 26-Feb. 28.

Deer Muzzleloader (permit hunt): Oct. 17-21 and Oct. 24-28.

Deer Modern Gun (permit hunt): Nov. 14-18.

Deer Modern Gun Special Youth Hunt: Nov. 7-8.

WMA Deer Bag Limit:
Three deer, no more than two bucks, which may include:

- Two bucks with archery,
- Three does with archery,
- One buck or doe with muzzleloader permit,
- One buck or doe with modern gun permit.
- During youth hunt, youths may take two deer, one buck (no antler restrictions) and one doe.

Deer Notes: 15-inch inside spread or 18-inch main beam rule. No dogs.

Area Notes: A General Use Permit (WMP) is required (see Page 67). ATVs/UTVs/OHVs are prohibited entirely on this WMA. No Hunting is allowed within the signed boundaries of the Mississippi River State Park. Check antler restrictions on Page 49 for important additional information. Refer to Page 27 for additional USDA Forest Service information. Boat motors over 10 horsepower are not allowed.

St. Francis Sunken Lands WMA (Zone 600)

AGFC / Corps of Engineers / Arkansas Natural Heritage Commission 877-972-5438 • 30,574 acres (includes Singer Forest Natural Area)
Craighead, Clay, Greene, Poinsett counties

CLOSED: deer muzzleloader, bear and alligator.

Deer Archery: Sept. 26-Feb. 28.

Deer Modern Gun: Nov. 14-15 and Dec. 26-28. This area has special firearms restrictions; see Area Notes.

Deer Modern Gun Special Youth Hunt: Nov. 7-8 and Jan. 2-3. This area has special firearms restrictions; see Area Notes.

WMA Deer Bag Limit:
Two deer, no more than one buck, which may include:

- One buck with archery or modern gun,
- Two does with archery,
- One doe with modern gun.
- During youth hunt, youths may take two deer, one buck (no antler restrictions) and one doe.

Deer Notes: Three-point rule. No dogs.

Area Notes: A General Use Permit (WMP) is required (see Page 67). Waterfowl rest areas located in Sections 8, 9, 16 and 17, Township 11N, Range 6E and Section 17 are closed to access Nov. 1 and will reopen to access Feb. 16. With one exception: The Snowden Field Waterfowl rest Area levee is open to foot traffic only around the north end of the unit to allow access to public land. Only shotguns (.410 and larger) with slugs (no buckshot allowed) or muzzleloading rifles shooting a single projectile are allowed.

Sylamore WMA (Zone 620) ★

USDA Forest Service 877-297-4331 • 182,618 acres
Baxter, Marion, Searcy, Stone counties

CLOSED: alligator.

Deer Archery: Sept. 26-Feb. 28.

Deer Muzzleloader: Oct. 17-25 and Dec. 12-14.

Deer Modern Gun:
North Unit: Nov. 14-22 and Nov. 27-29.
South Unit: Nov. 14-Dec. 6 and Dec. 26-28.

Deer Modern Gun Special Youth Hunt: Nov. 7-8 and Jan. 2-3.

WMA Bag Limit (Both Units):
Three deer, no more than one antlered buck, which may include:

- One antlered buck with archery, muzzleloader or modern gun,
- Three antlerless with archery,
- One antlerless with muzzleloader during muzzleloader season or during the first two days of modern gun season only.
- During youth hunt, youths may take two deer, one antlered buck and one antlerless.

Deer Notes: No antler restrictions. No dogs.

Bear Archery: Sept. 26-Nov. 30.

Bear Muzzleloader: Oct. 17-25.

Bear Modern Gun:
North Unit: Nov. 14-22 and Nov. 27-29.
South Unit: Nov. 14-30.

Bear Modern Gun Youth Hunt: Nov. 7-8.

Bear Notes: Statewide bag limit. No dogs. Seasons close earlier if zone quota is reached.

Area Notes: A General Use Permit (WMP) is required (see Page 67). CWD Regulations apply. See pages 6-8 for more information. Dogs, hunting or trapping equipment are not allowed in Blanchard Springs Recreation Area. The North Unit of the WMA includes public lands and all private lands meeting the criteria of a WMA in-holding, within the following boundary: north of Highway 14 from Allison to Big Creek; Big Creek to Buffalo River; Buffalo River to White River; White River to Highway 14 at Allison. The South Unit of the WMA includes all public lands and all private lands meeting the criteria of a WMA in-holding within the U.S. Forest Service boundary south of Highway 14. The same hunting seasons, method of take, bag limits, shooting hours and permits for hunting which apply to the Sylamore WMA apply to all private lands meeting the criteria of a WMA in-holding. Refer to Page 27 for additional USDA Forest Service information.

Terre Noire Natural Area WMA (Zone 625)

Arkansas Natural Heritage Commission 877-836-4612 • 493 acres
Clark County

CLOSED: deer muzzleloader, deer modern gun, bear and alligator.

Deer Archery: Sept. 26-Feb. 28.

WMA Bag Limit:
Five deer, no more than two bucks, which may include:

- Two bucks with archery,
- Five does with archery.

Deer Notes: Three-point rule. No dogs.

Area Notes: A General Use Permit (WMP) is required (see Page 67).

Trusten Holder WMA (Zone 630) ● ▲

AGFC 877-367-3559 • 8,173 acres • Arkansas County

CLOSED: deer modern gun, bear modern gun and bear muzzleloader.

Deer Archery: Sept. 26-Feb. 28.

Deer Muzzleloader (permit hunt): Oct. 17-21.

116 Arkansas Game and Fish Commission Hunting Guidebook 2020-21

Arkansas Game and Fish Commission Hunting Guidebook 2020-21 117

WMA Deer Bag Limit:

Four deer, no more than two bucks, which may include:

- Two bucks with archery,
- Four does with archery,
- One buck with muzzleloader permit,
- Two does with muzzleloader permit.

Deer Notes: 15-inch inside spread or 18-inch main beam rule. No dogs. Doe taken during the special mobility impaired permit hunt are bonus deer and do not count toward the seasonal bag limit (Contact Corp of Engineers at 870-548-2291 or at www.swl.usace.army.mil/parks/pinebluff/hunting.htm for specific mobility impaired criteria; application period July 5-Sept. 5).

Bear Archery: Nov. 23-Dec. 1. Closed on U.S. Fish and Wildlife Service property on Trusten Holder WMA.

Bear Notes: Statewide bag limit. No dogs. Seasons close earlier if zone quota is reached.

Alligator (permit hunts): Sept. 20-23 and Sept. 27-30.

Area Notes: A General Use Permit (WMP) is required (see Page 67). Check antler restrictions on Page 49 for important additional information. Horses, mules and ATVs are not allowed on U.S. Army Corps of Engineers property. The Trusten Holder WMA has been expanded to include U.S. Army Corps of Engineers lands north and east of the Arkansas River downstream from the Pendleton Bridge to just below Dam 2 (Wilbur D. Mills Dam) and to Lock No. 2, including Merrisach Lake, Arkansas Post Canal, Moore Bayou to the old Highway 1, one lane bridge and Post Lake to Highway 169. Hunting equipment on this portion of Trusten Holder WMA is limited to archery equipment and shotguns using T-shot or smaller. Muzzleloader deer season is closed on this expanded portion of Trusten Holder WMA. The National Park Service has made changes to the hunting boundary surrounding the Arkansas Post National Memorial. In areas where the park boundary follows the shoreline, a marked “no hunting” buffer zone (marked with signs or buoys) has been established to insure the safety of visitors to Arkansas Post National Memorial. Possession of a loaded firearm or discharge of a firearm within this boundary or the no hunting buffer zone is prohibited. Portions of Trusten Holder owned by the USFWS are closed to bear hunting. For access restrictions that affect all users during waterfowl season, check the waterfowl guidebook or visit www.agfc.com/trustenholderwma. During elevated river levels or wet road conditions, temporary road closures may occur along the Benzal Road and Boundary Road access routes. For more information contact the Arkansas Game and Fish Commission's Monticello Regional Office at 1-877-367-3559.

Two Bayou Creek WMA (Zone 633)

AGFC 877-836-4612 • 1,250 acres • Ouachita County

CLOSED: deer muzzleloader, deer modern gun, bear and alligator.

Deer Archery: Sept. 26-Feb. 28.

Deer Modern Gun Special Youth Hunts: Nov. 7-8 and Jan. 2-3.

Area Notes: Additional federal regulations, season dates and a permit (required) are available from: Wapanocca National Wildlife Refuge, Box 279, Turrell, AR 72384. Refuge is closed to all other entry and use except by modern gun deer permit holders on Nov. 21-22. Only shotguns with slugs, muzzleloaders shooting a single projectile or legal handguns may be used.

HUNTERS AND FISHERMEN

You can help protect Arkansas's forests by preventing the movement of INVASIVE SPECIES

► **CLEAN YOUR BOOTS AND EQUIPMENT** before and after you go somewhere new. Seeds and other invasive plants parts can latch onto your boots and equipment, later dispersed into new environments.

CLEAN AND CHECK YOUR VEHICLE for potential hitchhikers, some invasive insects will lay their eggs on any flat surface! Decontaminate boats before moving to a new waterway to prevent the spread of invasive aquatic plants.

DON'T MOVE FIREWOOD! Tree-killing insects and diseases can live in logs for months after they're cut down. Collect or buy firewood on-site whenever possible and burn completely before you leave.

► **REPORT SUSPECT INVASIVES** to the Arkansas Department of Agriculture or the USDA. If you think you recognize these pests, email a photo to caps@agriculture.arkansas.gov or call (501) 225-1598.

Making a Difference for Wildlife, Wild Places and Our Hunting Heritage!

WE ARE MORE THAN TURKEYS... WE ARE THE HUNTER'S ORGANIZATION!

Save the Habitat. Save the Hunt. is the NWTF's 10-year initiative to:

1. CONSERVE OR ENHANCE 4 MILLION ACRES

...for DEER, QUAIL, RABBITS, ELK, BEAR, TURKEY and other upland game.

2. RECRUIT 1.5 MILLION HUNTERS

...70 percent of wildlife conservation is paid for by hunters.

3. OPEN ACCESS TO 500,000 ACRES FOR PUBLIC HUNTING

...No. 1 reason people say they stop hunting is lack of access.

- 14 new projects impacting 7,061 acres for a total of 365 total projects impacting **95,317 acres**.
- 7 new Stewardship Projects started on Big Piney Ranger District of Ozark-St. Francis National Forest covering more than **6,500 acres** in the next 3 years.
- 1 new Stewardship Project starting on the Pleasant Hill Ranger District of Ozark-St. Francis National Forest proposed to enhance more than **3,000 acres** in the next 7 years.
- 1 new Stewardship Project starting on Muddy Creek WMA on the Mena/Oden District of the Ouachita National Forest proposed to enhance more than **2,800 acres** in the next 5 years.

xpress boats®
we build excitement

IF YOU ARE NOT THE ORIGINAL THEN YOU WILL ALWAYS BE IN THE SHADOW OF ONE!

The founding father of Xpress Boats revolutionized how aluminum boats would be manufactured and to this day 53 years later, his innovation is the standard by which everyone else builds their boats. Xpress Boats continues to revolutionize the industry focusing on performance, safety, hunt and fishability. Xpress Boats is the choice of champions trusted to get them to and from where they hunt, safely. There may be some that are faster on the market, but don't you owe it to yourself and most importantly your family to choose nothing but the best, Xpress! If you wish to be part of this great legacy, contact your local Xpress Boats dealer or visit us online at www.xpressboats.com.
