## **Hunter Land Access**

Hunters, it is your responsibility to know where you are, to know who owns the land, and to know what access restrictions apply.

### **Block Management**

The Block Management program is a cooperative effort among private and some public landowners, FWP, and hunters. The program seeks to: 1) maintain public hunting access to private and isolated public lands; 2) help landowners manage public hunting and provide benefits to offset impacts like increased road maintenance and weed control; and 3) help FWP manage wildlife. Each FWP Region administers the Block

Management Areas (BMAs) for its portion of the state. If you are interested in hunting a BMA, contact the regional office in the area you wish to hunt. The BMA hunting access guide lists current information on lands enrolled in the program statewide. These are available annually on August 15. The earliest date to reserve access to a BMA is August 22.

### Federal Land Access

- National Parks Service: National Parks are closed to hunting. For other lands administered by the National Park Service, please contact the specific site managers for additional information.
- National Wildlife Refuges – More restrictive regulations, including species specific restrictions and closures, may apply to national wildlife refuges open to public hunting. Contact the specific refuge and/or visit [fws.gov/refuges/](http://fws.gov/refuges/) for additional information.
- U.S. Forest Service: Area specific closures or restrictions may apply. Inquire at the appropriate Regional Forest Service Office.
- Bureau of Land Management: Area specific closures or restrictions may apply. Inquire at the appropriate BLM Field Office.
- Other Federal lands: Area specific closures or restrictions may apply. Inquire at the local federal land management agency office.

Unlawful Posting of State or Federal Land (MCA 45-8-115): It is unlawful for a person to knowingly post land that is under the ownership or control of the state or federal government to restrict access or use of state or federal land.

### Fishing Access Sites

Many of Montana's Fishing Access Sites (FAS) offer hunting opportunities, however certain restrictions may apply such as no-hunting safety zones and/or restrictions on the type of hunting weapon or firearm that may be used. Refer to the Fishing Access Site website at [myfwp.mt.gov/fishMT/explore](http://myfwp.mt.gov/fishMT/explore) for site specific information, opportunities and restrictions.

- State regulations apply to deeded land within the Crow Indian Reservation.

### Montana State Parks

Some of Montana's State Parks provide hunting opportunities; however certain restrictions may apply such as no-hunting safety zones and/or restrictions on the type of hunting weapon or firearm that may be used. Contact the specific park and/or refer to the Montana State Park website at [stateparks.mt.gov](http://stateparks.mt.gov) for site specific information regarding hunting opportunities and restrictions.

### Private Land Access

Montana law requires permission for all hunting on private land. See page 4 for information on FWP's Block Management Program.

### Railroad Access

Railroads and railroad right-of-ways are **private** property and may not be hunted without permission, nor should they be used as access to other lands (private or public) without explicit permission from the railroad.

### State Game Preserves

- A Conservation License provides hunters, anglers and trappers access to lawfully accessible state school trust lands.
- Overnight (2-night) camping is allowed within 200 feet of a lawful access point.

- Additional information is available from FWP or contact DNRC at (406) 444-2074.

### State Wildlife Management Areas

FWP's Wildlife Management Areas (WMA) are generally open to hunting during the game animal hunting season. WMAs with game winter range are closed to public entry, unless otherwise posted, from the day following the end of the general deer-elk season or December 1, whichever is later, to noon on May 15 each year, as posted.

**Exception:** There are several exceptions to these guidelines. For WMA specific information, please call the Regional office (see page 8 for contact numbers) or visit the FWP website at: [fwp.mt.gov/fishAndWildlife/wma/](http://fwp.mt.gov/fishAndWildlife/wma/)

### Upland Game Bird Enhancement Program (UGBEP)

Provides technical and financial assistance to enhance and conserve upland game bird habitats on lands open to public upland game bird hunting. Partnerships are formed between FWP and 1) private landowners, 2) government agencies, 3) conservation organizations, or 4) a combination of the various partners. Hunters can order the annual Projects Access Guide, which includes project specifics, area maps, and the method used to request permission to hunt on private lands enrolled in UGBEP. Visit [fwp.mt.gov](http://fwp.mt.gov) to order your guide. Obtaining landowners' permission to hunt upland game birds is required prior to hunting or entering any private land project area.

## Together, we can stop poachers. *It's time to say Enough is Enough!*

**Year-round and statewide, poachers are taking Montana's biggest and best game animals.** Poaching is illegal. And it robs law-abiding hunters of hunting opportunities.

FWP game wardens have broken major poaching rings recently. TIP-MONT callers have increased the effectiveness of our warden's ability to protect Montana's resources. With your help, we can reduce poaching.
